PRICE FIVE CENTS

OLD POLICE FORCE INCREASED TO 80,000 2,000,000 TO JOIN STRIKERS IN BRITAIN IF SETTLEMENT DELAYED

POLICE CLAMP LID ON GAMBLING CLUBS IN MORALITY DRIVE

Two Prince George Club In-
corporations Quashed by
Government Order

Provincial Officers, Replacing
Municipal Police, Enforce
Law Rigidly

With Provincial Police enforcing
the law in Prince George
and vigorously "cleaning up"
a lawless element in the northern
city, the Provincial Government
has assisted this reform move-
ment with the cancellation of
another club license there. An-
nouncement that the Tourist
Club, of Prince George, was
being put out of business was made
to-day. This action follows the can-
cellation of the incorporation of
another distinct club, with a similar
name, the Prince George Tourist
Club, which was abolished by order-
in-council a short time ago.

In both cases gambling irregularities
were alleged, and the authorities
felt it necessary to put the clubs out
of existence altogether to prevent
these abuses. It was stated at the
Attorney-General's department, this
action is interpreted as a warning
that abuse of club privileges will not
be allowed in any part of the Pro-
vince.

CLEAN-UP PROGRESSES

Provincial police are making ex-
cellent progress in the "clean-up"
of Prince George, where they recently
replaced the municipal police, ac-
cording to reports received by the
Government here. In the same way
they have improved conditions in
Roseland. A number of disreputable
establishments were being operated
there for the entertainment of people
from Trail, the big smelter town a
few miles down the mountain side
from the old mining camp. The pro-
vincial officers are enforcing the law
with a strong hand in these and other
places where they have been imported
to take the place of municipal offi-
cers.

DUMPING DUTY ON BUTTER IS OPPOSED

B.C. and Prairie Importers
Ask Ottawa Why Levy Put
on Australian Supplies

Vancouver, May 7.—The Vancouver
Daily Province to-day published a
story in its news columns which said
in part:

"Faced with a levy for dump duty
running from \$2,000 to \$5,000 each
the butter importers in Vancouver
and Western Canada met yesterday
afternoon and decided to dispatch a
letter to the Department of Customs
at Ottawa asking to be shown cause
why a dump duty should be applied
on butter brought in from Australia
at a time when supplies were not
available in Canada."

WINTER SCARCITY

"The letter forwarded last night
also asks what action the Govern-
ment is taking to ascertain the just-
ice of levying such a duty in view of
the fact that during the winter
months it had been found impossible
to get butter for domestic needs on
the prairies or in British Columbia
and dealers on the coast had been
advised by the prairie producers and
creameries to import from Australia
and New Zealand. This was done,
correspondence with the importers
shows, after coast dealers had of-
fered to buy only Canadian butter
even at a premium of from a half to
one cent a pound over the price at
which a supply from the Antipodes
could be purchased."

Street Railway Strike Vote in City of Winnipeg

Winnipeg, May 7.—In order to
comply with the Industrial Disputes
Investigation Act, the Winni-
peg street railwaymen's unit of the
One Big Union will take a strike vote
of its membership to-morrow. This
decision followed receipt of a tele-
gram from Premier King which
stated a bill of compulsory arbitration
had been introduced in the House
of Commons and that certain re-
quirements of the act had been com-
plied with. The strike vote will be
taken on a reduction in wages re-
cently put into effect by the com-
pany.

BREWERY WORKERS STRIKE

Barnesley, Lancashire, Eng., May 7.—
Workers in the local breweries
have gone on strike. Pickets are in-
terfering with the beer vans.

B.C. LIBERAL CONVENTION ON JUNE 10 URGED

Vancouver, May 7.—In an interview
held on return from a three-
months' visit to California, Charles
Woodward, M.P.P., strongly recom-
mended the holding of a Liberal con-
vention, suggesting June 10 at Que-
bec, in order to give the delegates an
opportunity to size up the possi-
bilities of the northern country
through which the Pacific Great
Eastern Railway runs.

TARIFF AS OUTLINED IN BUDGET TO BE CANADA'S FOR NEXT YEAR

SEVERAL HURT BY TORNADO

Okmulgee, Okla., May 7.—At
least half a dozen persons were
injured and more than twenty
houses were blown away or
destroyed this afternoon by a tor-
nado that swept a path a quarter
of a mile wide just north of here.

LAST OF SONGHEES INDIANS IS DEAD

Mrs. Mary Friday Recalled
Landing of Sir James
Douglas in 1843

The last surviving member of
the old Songhees tribe of Indians
passed away at St. Joseph's
Hospital last evening in the per-
son of Mrs. Mary Friday, aged
ninety-two years. The late Mrs.
Friday was born on the old
Songhees Reserve, nearly ten
years before Sir James Douglas
landed on Vancouver Island. She
retained a vivid memory al-
most until the day of her death
and frequently spoke of the
early days, recalling the inci-
dents associated with the land-
ing in 1843 of Sir James, which
she witnessed as a child. She is
survived by one grandson, Percy
Ross.

The remains are reposing at
the B.C. Funeral Chapel and
funeral arrangements will be
announced later.

B.C. TRADE LEADERS ARE TO VISIT ORIENT

Vancouver Board Decides to
Send Delegation to Increase
Business

Vancouver, May 7.—Believing
the future holds a big increase in Cana-
dian-Oriental business, the Van-
couver Board of Trade has arranged
for a trade delegation to visit the
Orient in the Spring of 1927. The
board is impressed with the fact no
better means could be adopted to-
wards bringing about increased
trade relations with the Orient than
by sending a representative group
of members to meet and exchange
views with business men there.

The definite dates have not been
selected for the visit, but it is antici-
pated the delegation will leave Van-
couver some time during the month
of March of April next.

PROGRAMME PREPARED

At a meeting of the council of the
board yesterday it was decided to
appoint a committee to work out the
details of the trip and make this the
first business men's trade mission to
leave Canada for the Orient, one of
the biggest events in the commercial
life of the country.

The delegation will call at many
of the important points in Japan and
China, and sufficient time will be al-
lowed in every city to provide full
opportunity for an interchange of
views on trade conditions.

The decision to send the delega-
tion is the culmination of many re-
presentations from chambers of com-
merce in Japan and China.

BANK ROBBERY IN WISCONSIN

Prairie Farm, Wis., May 7.—Four
men robbed the First State Bank
here of between \$4,000 and \$5,000 to-
day.

BYRD ARCTIC PLANE MAKES SHORT FLIGHT

Colo., May 7.—Lieut.-Commander
Richard E. Byrd, who has been mak-
ing experiments with the Fokker
monoplane with which he hopes to
explore the Arctic regions, to-day
succeeded in making a two-hour trial
flight, according to reports received
here from his base at King's Bay,
Spitzbergen.

TO FACE JURY IN CITY OF NEW YORK; H. M. DAUGHERTY

New York, May 7.—Harry M.
Daugherty, former Attorney-General
of the United States, was indicted by
a federal grand jury here to-day with
Thomas Miller, former Allen Prop-
erty-Guesteller and John T. King,
former Republican national com-
mittee man, for conspiracy in con-
nection with the American Metal Com-
pany case.

The indictments charge conspiracy
to prevent the Government from re-
ceiving the honest and unbiased
judgment of Daugherty and Miller,
both acting officially, as to the turn-
ing over of the metal company's se-
curities. The indictment charges it
was part of the conspiracy to enable
Daugherty, Miller, King and the late
Joseph Smith to receive from the
claimants of the securities the sum
of \$391,000, which was bid for put-
ting through the transfer deal.

DIRIGIBLE IS AT FAR NORTHERN BASE

Amundsen's Airship Being
Prepared at Spitzbergen For
Flight Across North Pole

Osla, Norway, May 7.—The
Amundsen-Elsworth polar ex-
pedition airship Norge arrived at King's
Bay, Spitzbergen, early this morning.
The Norge, left Vadsø, Northern
Norway, yesterday afternoon and in
about fourteen hours made the 700
miles over the Arctic Ocean to the
base from which it will start its
journey across the North Pole to
Point Barrow, Alaska.

LIQUOR ROUTE INVESTIGATED

Ottawa, May 7.—(Canadian Press).—
Queer shipping routes for liquor from
Ontario to Mexico have been dis-
cussed at the customs inquiry from
time to time. To-day a motion was
adopted for investigation of the ship-
ping of 6,000 cases of liquor from
Walkerville, Ont., to Ensenada, Mex.,
by way of Vancouver, B.C., in De-
cember, 1923.

RIFIANS BOMBED BY FRENCH AVIATORS

Rabat, French Morocco, May 7.—
The first hostilities since yesterday's
break-up of the Moroccan peace
conference began to-day. French
aviators began bombing important
Riffian positions early this morn-
ing, while the French troops massed
in the eastern sector began a move-
ment in the region of Kert in con-
junction with the Spanish troops,
who began moving toward Azib de
Midar.

General Simon, French delegate to
the peace party, to-day said the
war against the Riffians now will be
pursued with vigor.

Chinese Peddler In Point Grey Defeated Thugs

Vancouver, May 7.—Clamping his
teeth into the coat sleeve of one of
his assailants, G. B. Hoy, Point Grey
Chinese vegetable dealer, initiated
an effective defence that caused the
hasty retreat of two young armed
bandits who attacked him in the bush
off Twelfth Avenue East late yester-
day. The Oriental peddler was
walking along a path when he sud-
denly found himself ambushed. A
short black man in the hands of one
of the bandits held no terror for Hoy,
however, and he commenced a suc-
cessful fight to save the \$80 he had
in his pockets.

QUESTION IN COMMONS ABOUT FREIGHT RATES

Ottawa, May 7.—In the House of
Commons this afternoon, L. J. Lad-
ner, Conservative, Vancouver South,
asked the Government if any repre-
sentations had been made to it by
Premier Oliver of British Columbia,
who is in Ottawa at the present time,
regarding the reduction or equaliza-
tion of railway freight rates as they
affected that province.

AUTO TARIFF CUT GIVEN APPROVAL

Ottawa, May 7.—Debate on the
Budget resumed in the House this
afternoon by Thomas Donnelly,
Liberal, Willow Bunch.

Mr. Donnelly commended the Gov-
ernment for its reduction in taxation.
"I do not think the tariff on auto-
mobiles has been cut enough," said
Mr. Donnelly. "I would like to see it
cut more."

Light trucks and motor cars had
become essential to farmers.

turbed Region of City
Wide Berth

London, May 7, 4 p.m.—Troops
wearing steel helmets and carry-
ing full field equipment were sent
this afternoon into the dock dis-
tricts of London, where the rough
crowds were becoming too un-
ruly for the unarmed police.

DEATH THREATENS JAPANESE FACING MURDER CHARGE

K. Yamamoto Due to Appear
at Victoria Assizes
Seriously Ill

K. Yamamoto, Japanese mill-
worker of Port Alice, who is due
to face a charge of murder at the
Victoria Assizes, may lose a
fight with death against tuber-
culosis before he steps into the
prisoner's dock, according to
word received in Victoria to-day.

Yamamoto, who is charged with
the murder of a countryman during
a quarrel with him, was recently re-
moved from Okakura prison, where
he was taken after a preliminary
hearing at Port Alice to the Van-
couver General Hospital. He is very
seriously ill and may not live until
the assizes, which open here May 15.

Yamamoto faces a charge of murder
as a result of a quarrel in a Port
Alice mill on October 16 of last year.
Words passed between Yamamoto
and a countryman, Y. Takagashi,
who Yamamoto had his hand in a
pistol, a small axlike instrument
used for handling lumber. During
the argument Takagashi, it is alleged,
dared Yamamoto to strike him.
Yamamoto was brought up for pre-
liminary hearing at Port Alice
and committed to the Nanaimo As-
sises. A change of venue was after-
wards secured to Victoria.

K. Yamamoto is no relative of the
I. Yamamoto, also of Port Alice, who
was convicted of murder at the Nanaimo
assizes and sentenced to hang,
but whose sentence was afterwards
commuted to life imprisonment.

BRITISH SAILORS VOTING ON STRIKE

Public Waits With Interest to
Learn if Shipments of Sup-
plies to End

London, May 6.—The British pub-
lic is awaiting with interest the de-
claration of the attitude of the sea-
men toward the general strike. The
vote of the Seamen's Union has not
yet been concluded. It is known
some of the seamen are ready to
strike, but the union itself refuses to
countenance any premature action.
It has successfully applied to the
high court for an injunction to re-
strain the officials of one branch
from calling its members out until
the ballot is finished.

The miners' executive committee is
arranging for a big series of propa-
ganda meetings throughout the coun-
try during the week-end.

INJUNCTION REFUSED RAILWAY COMPANY

Vancouver, May 7.—An injunction
to restrain the Balastridge Lumber
Company Limited of Victoria from
allegedly trespassing on land of Es-
quimalt and Nanaimo Railway Com-
pany was refused in the Supreme
Court here to-day by Mr. Justice
Murphy because the defendant com-
pany had not been notified of the ap-
plication.

STRIKE DISORDER IN HULL, ENGLAND

London, May 7.—Strikers in
Hull caused a disturbance in the
city square this afternoon, result-
ing in a charge by police, who
used their clubs vigorously. Seven
persons were taken to hospitals.

Disturbances also were reported
from Aberdeen, Scotland, where a
crowd attacked a tram car. Police
arrested three men.

EDITOR OF BRITISH STRIKE NEWSPAPER

London, May 7.—The general
strike throughout Great Britain
has turned Winston Churchill,
Chancellor of the Exchequer,
back to journalism, the first love
of his remarkable career. He is
understood to be the editor-in-
chief of The British Gazette, the
paper which the Government is
issuing during the strike.

DANISH WORKERS MAY STRIKE TO AID BRITISH

Copenhagen, May 7.—The ex-
ecutive committee of the Danish
trade unions have the Association
of Employers preliminary notice
to-day of a strike in support of
the British strikers.

BRITISH STRIKE CHIEFS DISCUSS PLANS TO CUT OFF ELECTRICITY

London, May 7.—Whether to
call off the electrical workers
was the most important ques-
tion before the British Trades
Union Council at its session to-
day, according to reports.

The council is in consultation
with the electrical trades union
and it is understood a policy
relative to the continuance of
light and power will be decided
as early as possible.

VIEWS DIFFER

According to reports, there is some
dispute among the Laborites as to
whether the electrical workers should
be called out, as opponents of the
plan contend that if the lighting
should fail, the homes and offices of
the Laborites would be affected as
well as those of the general public.

The Government says it has all
plans made to replace any strikers
with volunteers or army electrical
engineers.

SOME ON STRIKE

London, May 7.—The employees at
the municipal power plant of the
borough of Fulham struck this after-
noon. All power and the street
lighting were cut off. The strikers
posted pickets outside the works.

VOLUNTEERS INVITED

Newport, Eng., May 7.—This big
industrial centre will be without
electric power to-night unless volun-
teers can be provided. The corpora-
tion refused to discontinue supplying
power to the industrial concerns,
whereupon the strike committee ad-
vised withdrawal of the men from the
power station.

COMMONS AFFECTED

London, May 7.—The House of
Commons is not immune from the
effects of the general strike through-
out Great Britain. The Speaker to-
day said he regretted to announce the
men engaged on the staffs of the
principal services had withdrawn.

He could assure the members,
however, that he would not allow the
House to be barred from proceeding
with its work by the action of any
body of men. If it became necessary,
he would conduct the proceedings
without any printing or electric light.

MINE STRIKE SOON IN NEW SOUTH WALES

Sydney, N.S.W., May 7.—The mine
engine drivers, who threatened to
strike during the latter part of April
if their demands for higher wages
were not granted, are expected to
cease work Saturday, when their
two-week notice will expire. The
mines probably will close down then,
since the prospects of a settlement
appear small.

BRITISH CONTINUE GAMES DURING PERIOD OF STRIKE

London, May 7.—(Canadian Press
Cable).—Premier Baldwin has ex-
pressed the opinion that cricket and
other summer games that involve no
expense or strain on the country's
resources should be continued as a
means of promoting good feeling
among all lovers of sport.

HONORS DELAYED

London, May 7.—(Canadian Press
Cable).—The King's birthday list of
honors will probably be withheld for
a while on account of the general
strike. The birthday honors ordi-
narily are announced on June 2.

50,000 SPECIAL CONSTABLES FOR DUTY IN LONDON

When New Guardians of Peace Are All Sworn In the
British Metropolis Will Have Police Force of 80,000
to Cope With General Strike Conditions; Labor
Leaders Debating Calling Out Their Second Line
of Defence.

London, May 7.—The Government, to meet general strike con-
ditions, has decided to increase the London police force to 80,000
men by recruiting 50,000 special constables as quickly as possible.
The regular police number approximately 30,000.

Another 2,000,000 workers, known as the second line of defence
of the British Trades Union Congress, will be called on strike in
support of the present strikers unless there are indications soon of
a speedy settlement. This announcement was made to-day by E. L.
Poulton, spokesman for the Trades Union Congress.

The Government announced by radio to-day that all ranks of
the armed forces of the Crown would receive the Government's
full support in any action they might find it necessary to take in
honest efforts to aid the civil powers in dealing with strike
disorders.

Former Premier Ramsay MacDonald, head of the Labor Party, told
newspapermen this afternoon:
"We are not letting a moment pass
unused for some attempt to devise
ways of peace and conciliation."

CONDITIONS IMPROVE

London, May 7.—At mid-day
the Government issued a state-
ment dealing with the general
strike, declaring that conditions
throughout the country were im-
proving, with workers trickling
back to their jobs or making
overtures for protection in case
the strike should return.

The statement declared no
overtures had been made to the
Trades Union Congress for a
peace movement, but there would be no
interruption in the supply of power.

75,000 VOLUNTEERS

Yesterday in the London area 25-
000 volunteers were enrolled, making
a total of 75,000.

Traffic conditions were easier at
noon to-day, with many more trains
and other transportation facilities
available.

POWER SUPPLY MAINTAINED

Newcastle-on-Tyne, May 7.—The
union employees of the Newcastle
Electric Supply Company went on
strike early this morning. The man-
aging director of the plant said the
emergency staff available was ade-
quate and that there would be no
interruption in the supply of power.

CABINET DISCUSSES BENEFITS OF UNIONS

Law Suggested in Britain to
Prevent Organizations Cut-
ting Off Members

London, May 7.—(Canadian Press
Cable).—With reference to the as-
surance given by Premier Baldwin
in the House that no trade unionist
who remains at work during the
strike shall be allowed to suffer
through having set the public ser-
vice before trade union orders, the
Canadian Press learns on good au-
thority that the Cabinet is consid-
ering the passing of a bill guaranteeing
any trade unionist who remains at
work against the forfeiture of any
benefit accruing to him from the
funds of his union.

TRANSPORTATION IMPROVES

London, May 7.—The British public
entered upon the fourth day of the
general strike with the same out-
ward appearance of stolidism as in
the previous day. The people had
in prospect better transportation fa-
cilities to-day and they were also
heartened by the fact that there
would be more newspapers published.

If, as this morning seemed likely,
the strike continues, the acuteness of
the situation is expected to increase
and the irresponsible sections of the
public which always adhere to strike
movements probably will become
more troublesome as the days pass.

STRIKE REPORTS ARE TOO SENSATIONAL

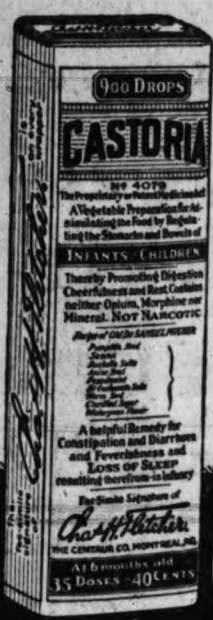

British Government Spokes-
man Says Wrong Impression
Created in North America

London, May 7.—Sensational and
exaggerated reports of violence and
disorders sent to North America in
connection with the general strike in
Great Britain were discredited by
Embroke White, official Government
spokesman, at a conference with
newspapermen late this afternoon.

It was not denied, he added, that
intimidation and disorders had oc-
curred in many places and that they
might recur momentarily, but the ex-
aggerated form in which some news
dispatches were being sent to other
countries, particularly Canada, and
the United States, was receiving the
serious consideration of the Govern-
ment.

"There are times when I wish I were a man," she said, wistfully. "When?" inquired the husband. "When I pass a milliner's shop and think how happy I could make my wife by giving her a new Spring hat!"

"Remember when we first met in the revolving door at the post office?" "But that wasn't the first time we met." "Well, that's when we began going around together."

GLASGOW WAS SCENE OF STRIKE CLASHES

Police Clubbed Many Persons Yesterday and Were Bombarded With Stones

Politeness of Volunteer Transportation Workers in London Surprises People

London, May 7.—The worst trouble in Great Britain reported yesterday as having grown out of the general strike occurred in Glasgow, which is generally credited as having a notoriously radical population. There was fierce rioting in the east side of the city Thursday, when the police broke many heads and themselves suffered a bombardment of stones and other missiles. The police, however, were strong enough to retain the upper hand in the situation. Rioters during the disturbance began looting. Sixty-six persons were arrested.

DISORDERS IN EDINBURGH

Edinburgh and some of the big English towns also witnessed lively scenes, while in Southeast London there was a riot which kept the police busy for a long time.

Cross-channel communication between Dublin and Holyhead is to be resumed by one steamer and if present plans are carried out the depleted service between Belfast and Britain is to be increased.

BATON CHARGES

Edinburgh, May 7.—Hooligan elements caused a turmoil in the old section of Edinburgh last night. The police made repeated baton charges, but order was not restored until the mounted force was called out. Twenty-two arrests were made. Business premises were smashed during the trouble, which, it is stated, was due to rowdies taking advantage of the situation and not to strikers. Tram cars and buses were running to-day and there were increased railway services.

EFFORTS SUCCEEDING

London, May 7.—(Canadian Press Cable)—Three days of efforts to coax the complicated emergency machinery in Great Britain into motion are bearing fruit and the nation, which

lacks nothing in the way of essential supplies, is settling down to a state of tolerable comfort, notwithstanding the general strike.

London streets last night were crowded with people on the way to their homes from business and a walk around was in no way an unpleasant experience.

All the empty spaces in the larger thoroughfares have been converted into auto parking places.

POLITENESS IS FOUND

After three days of undignified traveling the self-esteem of Londoners has perceptibly risen on account of the unwonted politeness with which they were greeted at the underground stations. The volunteer book-keeping clerks said "Thank you, sir," for the fares, the porters opened the doors and did not slam them afterwards and the familiar stentorian calls of "Pass right down the car" were temporarily stilled.

One white-haired old woman, misled by the bustle around the stations into thinking that conditions were approaching normal, demanded indignantly when she was directed to a stairway: "Isn't the lift running?"

COMMONS DEBATE

London, May 6.—The debate in the Commons yesterday preceding the approval of the Government's emergency plans to maintain control during the general strike was a tense period.

A Labor amendment to the Emergency Powers Bill relating to the protection of property was defeated 217 to 95. The amendment would have eliminated the emergency regulations, claiming making it an offence to do any damage to property of any railway, road, electric works or any other public service. The Laborites objected particularly to that clause making it an offence to approach such a public work with intent to do damage, even though no act were committed. The clause contained the provision that an arrest might be made if the person's conduct or known character were such as to indicate he was about to do some damage.

MAGAZINES CUT OFF

Montreal, May 7.—Great Britain's general strike will soon manifest itself in the Canadian imports of Old Country magazines and other periodicals, according to information here.

J. Morrison, manager of the Montreal branch of an English firm which is said to be one of the largest exporters of British literature, declared to-day he had received word from London headquarters that there would be no shipments to Canada, this week.

"No periodicals published; our packers on strike," read a cable received.

SUPPORT VOTED

Montreal, May 7.—Fifteen hundred Montreal machinists, members of District Lodge No. 22, International Association of Machinists, unanimously passed a resolution calling upon the grand lodge of their organization to lend its moral support and take steps also to render all possible financial assistance to the miners and other organized workers of Great Britain involved in the present general strike.

MONEY PROMISED

Vienna, May 7.—The Arbeiter Zeitung says the executive of the Austrian Metal Workers' Association has decided to send financial assistance to the British strikers.

CABINET SCATTERS ACROSS PROVINCE; PREMIER EXPECTED

Members of the Provincial Government are planning trips which will take them over most of the Province during the next few days. Only Hon. T. D. Pattullo, Minister of Lands, and Hon. E. D. Barrow, Minister of Agriculture, are in the city to-day and they plan to leave shortly. Mr. Barrow for Sumas and Mr. Pattullo for the southern interior.

Hon. William Sloan, Acting Premier, went up to Nanaimo on departmental business last night. Hon. D. MacLean, Minister of Finance, is touring his constituency of Yale and will not be back until the latter part of next week. Attorney-General Manson and Hon. W. H. Sutherland, Minister of Public Works, are in Kaslo-Slocan riding, where they went to look over newly-constructed Government roads. With Premier Oliver in the East the official family is more widely scattered now than at any time for many months.

The Premier's movements are something of a mystery. He has not been in touch with his colleagues for some days and they do not know definitely whether he has left Ottawa for the coast or not. He has been expected to arrive here this week but so far there has been no sign of him.

BODY OF VICTIM OF LOGGING ACCIDENT IS BROUGHT HERE

The remains of the late Alva Leonard Wilbur Hamilton, one of the three victims of a logging accident at Port Renfrew on Wednesday, will reach the city to-day, and will be forwarded by McCall Bros. Funeral Company to Chilliwack for interment.

The late Mr. Hamilton was born in Chilliwack twenty-four years ago. He is survived by his parents, his widow and one little daughter, all in Chilliwack.

There passed away yesterday morning at Sooke, B.C., Mrs. Mary H. Slack, wife of Harry Slack. She was fifty-four years of age and was born in Bellingham, Wash. The body is resting at Hayward's B.C. Funeral Chapel, 734 Broughton Street, and funeral arrangements will be announced later.

I. O. O. E.

The members of the Florence Nightingale Chapter are asked to meet at the B.C. Funeral Parlors on Saturday at 2.15 to attend the funeral service of their late past regent, Mrs. H. R. McIntyre.

ISLAND TRAFFIC IS MENACED BY SPEED FIENDS ON CUT-OFF

With Malahat Closed, Reckless Drivers Endanger Travel on Shawnigan Lake Road

Provincial Police to Prosecute Speeders to Prevent Serious Accidents

Motor travel up the Island is being made dangerous by reckless driving over the Shawnigan Lake cut-off road while the Malahat Highway is closed for repairs, according to officials of the Public Works Department. Provincial Police officers, it was announced to-day, are being called in to halt this speeding with stern measures.

Cases of automobiles traveling as fast as thirty miles an hour over the narrow, twisting cut-off road have been reported in the last few days, and on several occasions serious accidents have been avoided almost by a hair's breadth. The cut-off road is so narrow and its sharp turns so frequent that a speed of twenty miles an hour is considered a proper limit there. In many places it is impossible to see a car approaching in the opposite direction until one is almost colliding with it. From now on Provincial police will watch the road constantly to prevent accidents until traffic can travel by the main highway.

OILING DELAYED

Oiling of the Malahat from the Shawnigan cut-off towards Mill Bay started to-day after having been stopped by rain for five days. Provided the fine weather holds, the oiling will be completed to Mill Bay on May 11 and on to Millstream on May 15. Until May 15 it will be impossible to drive up the Island except by the Shawnigan cut-off or the Mill Bay ferry. With the road closed to Millstream by May 15 will be a detour there in towards Shawnigan Lake and then on to Cobble Hill. When the Island Highway is opened as far as Cobble Hill detours from that point on to Duncan will be adequate and traffic will not be seriously hampered. At present traffic is traveling the Mill Bay ferry and via Shawnigan.

BYING TO PLANT TREE

Arrangements are being made by the Public Works Department to permit Baron Byng, Governor-General of Canada, to plant a tree between the Mill Bay Solarium during his island visit. His Excellency will motor down the Island Highway to Mill Bay and then to Victoria via Shawnigan.

DRIVER CHARGED FOLLOWING SMASH

Der J. Fook Charged With Driving to Common Danger in Police Court

Der J. Fook, a Chinaman, charged with driving to the common danger in the city police court this morning, following an accident at the intersection of Montreal and Superior Streets on the afternoon of April 28, pleaded not guilty before Magistrate Jay. W. C. Moraby appeared for the accused.

His Honor reserved judgment until Tuesday. Fook was in collision with another automobile, driven by Douglas V. McGarry, contractor. Constable George Varney was the first witness called by the prosecution. He testified as to the marks of skids on the road where the two cars had met and said that in his opinion the marks showed that the accused had not exercised proper care. As to the other car, he could not say whether it had been driven in a prudent fashion or not.

SHARP EXCHANGES IN BRITISH HOUSE

General Strike Has Repercussion in Chamber; Conservatives Against Laborites

London, May 7.—(Canadian Press Cable)—There was some disorder in the House of Commons to-day when Sir Gerald Strickland, Conservative, suggested the speech made in the House last night by Sir John Simon, K.C., Liberal, a former Solicitor-General, should be published and distributed on account of its great importance and technical character, as coming from an ex-law officer of the crown.

Sir John Simon had said the so-called general strike was not a strike legally, but was an abuse of the power given by the Trades Disputes Act, and unless the trades union leaders were careful there would be a terrible reaction.

Rev. J. Barr, Labor, objected to Sir Gerald Strickland's suggestion and declared the present fight was against the community. Every day meat lorries were being obstructed by the Labor Party, he asserted.

David Kirkwood, Labor, amid loud and angry cries from the Labor benches, sprang up and insisted that the Deputy Speaker order Sir A. Holbrook to withdraw his statement. "Even if you give power to suspend me," Kirkwood declared, "I don't give a damn. Nobody in the strike is instructed by the Labor Party."

DRAGGED FROM CAR

Sir A. Holbrook, resuming, referred to an incident at Battersea where the occupants of an automobile had been dragged out of the vehicle. He warned the Labor leaders

against making inflammatory speeches.

Dr. Haden Guest, Labor, said the disturbance at Battersea referred to had been the work of street book-makers' touts.

George Lansbury, Labor, accused the Government of causing inconvenience in connection with the industrial trouble because, in a most contemptuous fashion, it had spurned the offer of the trade unions not to apply the strike to essential services.

STRIKING PRINTERS ARE NOT A UNIT

London, May 7.—Dissatisfaction in a section of the printing trade over being called out during the general strike in Great Britain without the customary fortnight's notice is being mentioned conspicuously in the anti-strike newspapers. There has been nothing to indicate the size of the disgruntled section of the printing trade, but it seems evident some members resent being compelled to quit their jobs suddenly. One branch of the printers' union is reported to

have held a protest meeting over the strike and the newspapers are hopeful not only that this attitude will spread, but that the Government's pledge to political workers from victimization after the strike if they return to work will have the effect of inducing many to resume work.

The British Gazette, the paper the Government is issuing during the strike, calls attention to the fact that the strikers' paper, is being produced by union printers, and argues this shows the strike is against newspapers whose political views the strikers disapprove, and not for industrial purposes.

"The only printers who are allowed to work at their own trade are those employed to foment the strike," says The British Gazette.

NO BUNKER COAL

Washington, May 7.—Great Britain today informed the United States Government that, due to the strike, it would be impossible to provide bunker coal in British ports for vessels other than those "performing services essential to the national interests."

STRIKES UNAUTHORIZED

London, May 7.—The electrical workers in Great Britain have not been authorized to go on strike, it was said today by representatives of the Trades Union Congress.

Strikes of electrical workers which have occurred in several factories are unauthorized and have only partly impeded the service, because volunteers immediately were engaged.

RAIN IN LONDON

London, May 7.—Although weather conditions for the great trek to the city and the West-End were unpleasing this morning, owing to a drizzling rain, there was little slackening in the number of pedestrians and more motor cars were on the road.

This was the fourth day of the general strike. An increasing number of trains was available on the underground and other lines, while many more motor-buses plied to the suburbs through the availability of more than 1,000 volunteer drivers.

DIRIGIBLE IS AT FAR NORTHERN BASE

(Continued from page 1)

Having arrived at King's Bay, preparations doubtless will be begun immediately to put the Norge in perfect condition for the most strenuous test it has undergone since it left its builders' place in Italy April 4 and flew to Pulham, England, and then to Oslo, Norway, to Tromsø, in Russia, and to Vadsø and Spitzbergen.

This test will be a flight of 2,000 miles with Amundsen and Ellsworth on board. The aircraft will shape her course across the Pole and thence to Point Barrow, the northernmost point in Alaska, over uncharted areas. From King's Bay the distance is 750 miles to the Pole, and thence over that unknown portion of the top of the world to Point Barrow it is 1,250 miles.

If the Norge should successfully make the passage to Point Barrow she later will sail southward and pay visits to Nome, Alaska, and Seattle, Washington.

U.S. AID TO BRITISH STRIKERS SUGGESTED

Plan For Financial Support to Be Discussed by American Federation of Labor

Washington, May 7 (Canadian Press).—President Green of the American Federation of Labor, replying to a suggestion of help for the British strikers received from the International Federation of Trades Unions, Amsterdam, today cabled in response that the Federation "will gladly give all the support possible to the miners of Great Britain in their fight for a decent wage scale."

It was announced today at Federation headquarters that the subject of financial aid had been brought up, but that in placing it before the executive council, Mr. Green would not do so without specific recommendation.

Special financial assistance could be voted by the council, which would pass the matter along to individual unions, which would in turn ask for donations, it was said.

BRITISH STRIKE CHIEFS DISCUSS PLANS TO CUT OFF ELECTRICITY

(Continued from page 1)

MENACING SITUATION

Cardiff, Wales, May 7.—The attitude of the strikers here has become menacing and there have been demonstrations against the volunteer tramcar drivers. Traveling facilities throughout South Wales, both by rail and road, however, are improving. The coal fields are reported quiet and the miners have committed no overt acts, except to suppress the newspapers which they alleged were produced by blackleg labor.

BUS SERVICES

London, May 7.—The officials of the London bus services were attempting to reach a still nearer normal schedule than yesterday, when their volunteer services created to overcome general strike conditions were not wholly successful. The biggest company had forty-seven of eighty buses crippled by attacks of strikers, while about seventy-five other buses were unable to return to their depots and lay in the streets unrescued by repairing staffs.

GLASGOW TRANSPORTATION

Glasgow, May 7.—The Lanarkshire tram and bus service has been suspended, but in Glasgow the house and car services were more numerous. The situation generally as regards transportation is better. Glasgow has fuel supplies sufficient for the next nine days. Practically no work was done in the harbor today.

PEACE RUMORS

London, May 7.—"I am still hoping common sense will prevail and that the miners will get a fair settlement," said A. J. Cook, secretary of the Miners' Federation of Great Britain, to the newspapermen this morning.

Mr. Cook repudiated a statement attributed to him that all was hopeless and that the miners realized this. Rumors continued to circulate today regarding a possible way to bring the Laborites and the Government together over the conference table again, but nothing was available officially. A certain quarter of the medium might be found and following Mr. Cook's statement, this quarter guardedly put forth the belief that a way out of the present gloom might possibly be found early next week.

EFFORTS BY CHURCHES

Influential circles, in addition to the churches, have been working quietly during the last day or two to find a medium by which negotiations could be resumed in the coal dispute.

It is understood Premier Baldwin and J. H. Thomas, one of the labor leaders, were closed at last hour last night, but what took place is unknown, although it is assumed they discussed the strike. Officially both the Trades Union Congress of Great Britain and the Government are standing pat, and both claim things are going well in their respective camps.

ATTACK ON RAILWAY

Milbourn, May 7.—Official details of last night's rioting here show heavy obstacles were chained to the railway line in an attempt to wreck the late passenger train. A crowd prevented the closing of the grade crossing gates, invaded the passenger station, wrecked the freight station and did other serious damage.

The line was cleared for traffic after several hours of work.

STRIKE PAY

London, May 7.—The miners will receive their first strike pay next Thursday. There is some talk of the miners being paid only half the normal sum in order that the resources of the miners' unions may be husbanded, but the distribution will probably be £1 for each full member and two shillings for his dependents. Youthful and half-members of the miners' organization, will receive ten shillings.

The Yorkshire Miners' Union has a membership of 150,000 and it possesses £200,000.

TO ATTEND MEETING

London, May 7.—A. J. Cook, secretary of the British Miners' Federation, and Frank Hodges, secretary of the International Miners' Federation have arranged to attend the International Miners' conference at Ostend, Belgium, tomorrow. They have booked passage on an aeroplane and will return to London Monday.

The British strike will be discussed at the Ostend meeting.

Strike Message From Great Britain Comes to Victoria

W. L. Morkill of 852 Pemberton Road, Victoria, today received the following message dealing with the general strike in Great Britain from his daughter, Mrs. MacClary, who is visiting her aunt, Dame Clarissa Reid, in London:

"Discredit alarmists. No one downhearted. Government organization magnificent. All well."

COMPANY OUTLINES PURCHASE TERMS ON DUNCAN PLANT

International Utilities Offer Considered by Council

Terms outlined in the offer of the International Utilities Corporation of New York for a twenty-year franchise and purchase of the Duncan Electric Light plant and equipment as outlined to the council are as follows:

1. The city of Duncan to grant to the company for a period of twenty years, a franchise for the distribution and sale of electrical energy within the limits of the city as now existing, or in future extended. This franchise to be along the usual standard lines to protect the city and company, specifying services to be rendered by the company, voltage regulation, method of arbitration in case of disputes, terms for further extension of the franchise, and of valuation should the city wish to purchase at the expiration of the franchise or any extension thereof.

2. The company to purchase from the city, free from encumbrances, the city's present oil engine plant, complete with all accessories; and the city's distribution system, consisting of pole lines, transformers, meters, etc., used in generation, transmission and distribution of electrical energy within and without the city of Duncan. The company would pay the city annually an amount equal to the sum which the city now pays as interest of \$45,000 against the city's electrical system, plus an amount equal to the sum which the city now pays by annually as a sinking fund to retire the debt issue at maturity by the payment of a lump sum to be agreed upon.

ADDITIONAL OIL UNIT

Immediately upon the granting of the franchise the company will undertake to add an additional oil engine unit to the present city power plant, this unit to be of approximately 150 K.V.A. capacity. The company will agree to extend their system to meet the requirements of the city and its inhabitants for light and power, and will also undertake an investigation of the possibilities of extending the present distribution system to such districts as Quamichan Lake and Somenos Lake, outside the city limits, with a view to making an extension of the distribution system if the revenue should warrant same.

RATES OUTSIDE CITY

5. The proposed agreement between the city and company will not, of course, deal with rates of rates outside the city limits, except that the company will recognize any contracts now existing between the city and such outside customers, and the company within the city limits, however, the company propose to offer the following rate schedule:

Schedule A.—To the city and the inhabitants thereof, for light, heat and power (excluding street lighting)—First fifty kilowatt hours, per month 14 cents; next fifty, 13 cents; next fifty, 11 cents; next 50, 10 cents; remainder, 8 cents. Meter rents, 20 cents per month per meter. Minimum charge, \$1 per month. All accounts except the minimum charge subject to discount of ten per cent if paid within ten days.

Schedule B.—To the city and the inhabitants thereof, for power purposes, when specially connected for power load only—First 500 kilowatt hours 7 cents per kilowatt hour; next 500, 5 cents; next 500, 4 cents; remainder, 3 cents. Meter rent, 50 cents per month, per meter. Minimum charge, \$1 per horse power or fraction thereof of connected load. All accounts other than the minimum subject to a ten per cent discount if paid within ten days.

Schedule C.—To the city and the inhabitants thereof for street sign lighting—Flat rate of 8 cents per 5 watt lamp if burned from dusk until 11 p.m. and a flat rate of 12 cents per 5 watt lamp if burned all night. The above sign lighting rates subject to no discount.

Schedule D.—To the city and in-

habitants thereof for commercial heating, which shall include tailors, ironers, hot water heaters, sterilizers, etc., used in commercial premises, such as shops, laundries, hotels, hospitals, public institutions, etc.—Flat discount if paid within ten days.

Minimum charge of \$1 per month, minimum subject to a 10 per cent discount if paid within ten days.

Italian Fascists Are Watching Strike In Great Britain

Rome, May 7.—The Fascist Government is watching the British general strike with unusual interest, because it presents an opportunity to study the important problem of the relations between labor unions and the State, a problem Italy now is attempting to solve, a high government official said. The British strike has not had the slightest economic, political or labor repercussion in Italy, he said. "We have plenty of coal and resources of supply abroad outside of Great Britain. Our workers are entirely unaffected by the strike and the Government is maintaining order and discipline. They are not showing the slightest disposition to indulge in any manifestations."

Pat Hanley is Sentenced to be Hanged Aug. 2

Nelson, May 7.—Trial the third time on a charge of having murdered Miss Mildred Nelson, a nurse at the Trail, B.C. Hospital, on February 6, 1925, Pat Hanley, Trail insurance man, was found guilty by a jury here late yesterday afternoon, and was sentenced by Judge D. A. McDonald to be hanged on August 2 next.

The verdict, the verdict calmly, and when asked if he had anything to say by sentence should not be passed, replied: "Nothing, my lord."

The two previous trials resulted in acquittals.

The verdict followed an eloquent appeal by A. H. McNeill, K.C., for an insanity verdict, a searching analysis of the evidence of the defense attorneys by J. W. de la Farris, K.C., for the prosecution, and a lengthy charge by the Judge.

Hanley was admitted to bail by the court to be in perfect mental health.

Miss Nelson was his sweetheart.

Hanley served overseas during the World War and was socially popular.

HEIR TO ESTATE IS FOUND IN DAWSON

Vancouver, May 7.—Latest of many communications received by Mayor L. D. Taylor since he announced recently that he was in receipt of an inquiry from J. Simmons of Melbourne, Australia, regarding the whereabouts of his nephew, George Ernest Simmons, who he said was heir to a \$200,000 estate, is a letter from the manager of the Bank of Montreal in Dawson, Yukon Territory, stating the missing man is residing there. The Australian, according to the letter, is being communicated with by cable.

According to the letter received from Simmons by Mayor Taylor, the nephew, left England for Canada in 1905, and lived in Vancouver in 1912 and 1913.

Luxton

Luxton, May 7.—The annual meeting of the Esquimalt District Liberal Association will be held in the Luxton Hall on Saturday. Business will consist of reports, recommendations, consideration of the report of the special committee with regard to the revision of the constitution, election of officers, and addresses will be given by C. H. O'Halloran and one of the Ministers of the Provincial cabinet.

The postponed meeting of the Metcosh Farmers' Institute in the interests of goat and rabbit breeding will take place in the Luxton Hall on Monday, at 8:30 p.m. George Palmer, secretary of the B.C. Goat Breeders' Association, will be present and will give an address, and Mrs. Simmons of Victoria will speak on rabbit breeding. The addresses will be illustrated by kindness of the Department of Agriculture, Mr. Houston officiating. Other general business will be discussed. It is hoped there will be a good attendance so that whatever decisions are arrived at with regard to institute matters will be backed by full representation of the district. Refreshments will be served by kindness of the Luxton and Happy Valley Women's Institute. The first date of this meeting was postponed on account of the closing of the roads in this section.

Sidney

Special to The Times
Sidney, May 7.—The regular monthly meeting of the North Saanich Allie's Chapter of the I.O.O.F. was held on Thursday afternoon in the W. H. Hall. There was an attendance of eighteen members. The regent, Mrs. Bodkin, was in the chair. The secretary, Mrs. Rochford, read the minutes. The financial report was read by the treasurer, Mrs. Goddard, who reported that the sum of \$70 had been sent to the I.O.O.F. War Memorial.

Plans were made for the annual dance, to be held on the King's birthday, June 3, in the Deep Cove Social Club Hall. Hunt's orchestra will supply the music. The decoration committee are: Mrs. Boldero, Mrs. Jarvis and Mrs. Raymond Layard. The ice cream will be in charge of Mrs. Belsion. The dance committee are: Mrs. Bodkin, Mrs. Rochford, Mrs. Boldero and Mrs. Nelson.

Mrs. Bodkin announced that Mrs. Rochford had been made a provincial councillor, so the Allie's Chapter now has two councillors among their members. Mrs. Rochford, who was the delegate for the chapter to the annual meeting of the Provincial chapter, which was held in Vancouver last week, then gave a most interesting report of the meeting. Mrs. White-Birch moved a vote of thanks to Mrs. Rochford. The meeting adjourned to meet next month at the home of Mrs. Rochford, Patricia Bay, Mrs. Ramsay and Mrs. Bodkin then served tea.

The Sidney Social Club held the first of their monthly card parties of the summer season on Wednesday evening at the home of Mr. and Mrs. Crossley, Marine Drive. Military five hundred was played at five tables. The winners of the prizes were: Mrs. MacAuley, Mr. S. MacDonald, Mr. Walter Crossley and Mr. Lionel Crossley. Supper was served by Mrs. Crossley, assisted by her daughter, Miss Adeline Crossley.

Miss Jean McNaught, Third Street, has returned home after a few days spent on James Island with Miss Eyles.

Mrs. Gowen, who has been staying with her son-in-law and daughter, Mr. and Mrs. McKay of Third Street, has gone to Vancouver.

Mr. Dan Moses of Deep Bay has gone to Cobble Hill as fire ranger.

Mrs. Storey of Beacon Avenue was a visitor to Mrs. Bond of James Island.

Mr. Gordon Bowcott, who has been at Cuckoo Cove for some time, has returned to his home on Queen's Avenue.

Miss Edna Blackburn has returned to Victoria after being ill at home with influenza.

Mrs. McDore and baby of Victoria are staying with Mr. and Mrs. Bowman of Ardmore, Patricia Bay.

Mr. and Mrs. Hall and family have moved to their new house which has been built for them on the Experimental Farm grounds.

Mrs. J. Copthorne of Deep Bay has gone to Calgary to spend the summer.

Mr. J. St. Louis of Third Street has returned home after a holiday spent in Vancouver.

YOUR BABY and MINE

By MABLE MEYER ELDRED

Mrs. Eldred will be glad to answer all questions pertaining to babies and children. A stamped and self-addressed envelope forwarded to this office will bring a personal reply.

TRAVELING WITH BABY

This is the season when parents long to take the car and the kiddies and get far away from everything familiar. This is the best "visiting" season of the year. The problem is just how to handle the young child's feeding, especially the baby who is taking a bottle.

Right here and now I am going to express an opinion that won't suit a lot of persons, but it is my firm conviction that children, especially babies, are much better off at home. The excitement of strange surroundings upsets the mother and incidentally the children. Older children are fed differently and sometimes, just because one is visiting, there is a greater laxity on the part of the mother in the matter of food and all other daily routine measures. She relaxes her vigilance for the time being and children get out of hand and the result is usually a sick spell. Most mothers vow when they get back home and manage to undo the mischief caused by visiting that they won't do it again, ever, but by next year they have forgotten and they do it all over again.

If one must go "visiting" the milk problem on trains or when traveling by motor may be solved by using powdered milk. It is easy to carry and needs only the addition of

boiled water and whatever sugar one has been accustomed to use in the formula, to make it just as good as fresh cow's milk. One must realize though that it lacks certain vitamins, whose loss can be made up by giving the child orange juice or tomato juice daily.

It is not difficult to get cereals, toast, vegetables and milk for the older child, but if one is not sure of the milk supply it is an excellent precaution to have the milk boiled before using.

The baby must have a bottle of boiled water, which can be carried in a thermos. But don't make the mistake of carrying the milk that way. As soon as milk is heated, whether on the stove or by the atmosphere, the process of degeneration begins. Bacteria which might not be present in sufficient numbers to be harmful from large and flourishing families in the nice warm milk, and soon it is unfit for use. This is what happens when one stows fresh warm milk in a thermos bottle and opens it up several hours later for the baby's feeding. If it isn't sour it is most assuredly, so full of bacteria that it is dangerous to use.

Powdered milk; plenty of boiled water for baby to drink; a tiny pillow for his own use; paper diapers for use inside of the usual ones; a rubber bag for holding these should make the baby comfortable during the trip.

NATIVE DAUGHTERS MEET IN NANAIMO

Local Post Represented at Annual Gathering of British Columbia Women

Delegates of Victoria Post No. 3, including Mrs. C. B. McDonnell, Mrs. Harold Beckwith, Mrs. S. J. Stapledon, Mrs. L. M. B. Dodds and Miss "Boo" Wilson have left for Nanaimo to attend the annual meeting of the Grand Post, Native Daughters of British Columbia, which opened this morning.

Mrs. T. W. Martindale of Nanaimo, grand chief factor, as the head of the hostess post No. 2, will preside over the meetings. The meeting opened last evening with a meeting of the executive at the home of Mrs. Martindale. Nanaimo, followed by an informal reception for all delegates. To-day Post No. 2 will entertain officers of the Grand Post and delegates at luncheon and this evening a social evening of cards and dancing will be held at Elite Hall, Nanaimo, to entertain the visitors.

Business sessions commenced this morning with the opening ceremonies and address of welcome by Mrs. Horne, followed in the afternoon by routine business and an address by Mrs. Paul Smith, supreme factor of the Native Daughters of Canada. Reports of the constitution committee will be given by Mrs. Beckwith of Victoria. On Saturday morning, the chief item of the programme, invocation and installation of new officers will take place.

Included in the Vancouver party were Mrs. Paul Smith, past grand chief factor; Mrs. C. J. Draney, grand factor of Post No. 1; Mrs. Kenneth B. Casselman, Mrs. T. Palmer, Mrs. Alex. Meston Jr., Mrs. J. Z. Hall, Mrs. Charles Kelton, Mrs. John Latta and Mrs. Gordon Swanson. Mrs. C. D. Peeler factor, heads a group of delegates including Mrs. E. Phillips, Mrs. Stanley Copping, Miss Kathleen Dashwood-Jones and Miss Lillian Dynes.

Oak Bay Scouts Parents' Society Elects Officers

The annual general meeting of the Parents' Association of St. Mary's School and Oak Bay Scouts and Cubs was held at the headquarters on Chaucer Street on Wednesday, at which time a group of parents and others interested in the Scout movement, District Commissioner H. T. Ravenhill gave an interesting and instructive address on Scouting and the good work that was being accomplished by the Scoutmasters and Cubmasters in training the boys to be manly, resourceful and self-reliant.

At the subsequent election of officers the following were appointed: Chairman, E. E. Mitchell; vice-chairman, G. B. Hillard; secretary, Major G. W. MacNeill; committee, Mrs. Stark, Mrs. Connelley, Mrs. Doreworthy, F. R. Leighton, T. J. Goodlake, C. H. Pope and H. H. Cotton.

Aged Women's Home—The management of the Aged and Infirm Women's Home wish to extend thanks to Miss Angus for a wheelchair and to Miss Scott for a beautiful collection of tulips which they donated to the home and which was inadvertently omitted from the list recently published.

Court Triumph A.O.F.—The Ladies of Court Triumph will meet this evening. After the business session, a social has been arranged, during which Miss Mona Jewell and her pupils will be featured in dancing. Refreshments will be served. All Foresters are cordially invited.

C.P.R. Club Excursion—The C.P.R. Social and Athletic Club have arranged an excursion to Port Angeles which will leave here May 15 at 1:15 p.m., returning at 7 p.m. Music will be provided and the public are assured of a good time. Tickets can be obtained from C.P.R. office.

Miss K. McDonald, of Victoria, is visiting her sister in Vancouver.

Mrs. Liddell has returned to her home in Vancouver after visiting her parents, Mr. and Mrs. Herbert Beck, in this city.

Mrs. Glen C. Holland of Armit Road, has been in Vancouver for a few days, visiting her mother, Lady Tupper.

Mrs. H. A. Whillans left on yesterday afternoon's boat for Vancouver where she will spend the weekend with her daughter, Miss Frances Whillans.

Mr. and Mrs. C. E. Thomas and family have removed from Rockland Avenue and are now living at 510 St. Charles Street, the residence formerly occupied by Mr. and Mrs. Harold Robertson.

Mr. and Mrs. Russell Ker have gone out to their summer home at Pinnery Bay for the next few months, and during their absence their house is being occupied by Mr. and Mrs. McLachlan, of Winnipeg.

From the list of Victoria students successful in the recent examinations at the University of British Columbia was omitted the name of Albert E. Bailey, who passed his third year with second class honors.

The engagement is announced of Miss Peggy Sharp, daughter of Mr. and Mrs. C. Sharp of Esquimalt, and L. P. Conway of Seattle. The wedding will take place in Seattle in June.

Mr. Neill North of Ontario, Cal., formerly of Victoria, will give a special programme to-morrow evening at 8 o'clock over the radio, broadcasting from KJL, Los Angeles Times station. This well-known tenor will sing a number of popular airs, and again on Monday at noon will broadcast a programme.

The many friends of Mr. F. W. Laing, of Stanley Avenue, who left recently for a holiday trip in the East, will regret to learn that he was taken suddenly ill en route, and is now a patient in the Royal Inland Hospital Kamloops. His son, Mr. Lionel Laing of Kamloops, is with him. It will probably be some weeks before he is well enough to return to his home here.

VICTORIANS ATTEND BIG TULIP FESTIVAL

Large Party on Princess Charlotte Arrived at Bellingham This Afternoon

Bellingham, May 7.—Gaily bedecked with flags, the Canadian Pacific steamer Princess Charlotte arrived here this afternoon at 12:30 o'clock with nearly a thousand excursionists from Victoria, B.C., to attend the Tulip Festival celebrations. The large party of visitors was met at the boat by a committee of Bellingham citizens with their cars, who transported the Victorians to the city.

The Victoria party was headed by Mayor J. Carl Pendray, who extended an invitation through Mayor J. A. Kellogg of Bellingham to the people of that city to come to Victoria for the Victoria Day celebrations to be held there from May 21 to May 24 inclusive. Thousands lined the streets of Bellingham as the giant parade commenced to wind its way through the city. Victoria's beautiful float, headed

Miss Peggy Lewis, the well-known comedienne of the Coliseum Company, who has been recuperating in the South after her serious illness, left Ontario, Cal., yesterday for Victoria. En route she will make a brief stay in San Francisco.

The Royal Victoria Yacht Club will be the scene of a dance given by the members of the Daisy Chain Chapter, I.O.G.E., this evening, and the affair promises to be one of the most popular of the season. Charlie Hunt's orchestra has been engaged and a buffet supper will be served. The chaperones for the occasion will be the regent, Mrs. Umbach; Mrs. Stuart Henderson, Mrs. J. Wood, Mrs. Hembroff, Mrs. S. P. Moody and Mrs. H. W. Bell.

The business girls' branch of the Women's Auxiliary of Christ Church Cathedral held its meeting Thursday evening at the home of Miss Watt, 1625 Bell Street. After an interesting talk by Miss Watt on "The Clash of Color" the girls joined in a social hour. During the evening a presentation was made to Miss Vivian Jaegers, whose wedding will take place in the near future. Among those present were the Misses Mildred and Allison Chryw, Victoria; Lillian Brown, Elsie Oliver, Vivian Jaegers, Annie Bennett, Lois Peasey and the Misses Baird and Balsam.

Dean and Mrs. F. M. Clement entertained the graduating class in the Faculty of Agriculture of the University of British Columbia at dinner on Wednesday evening, in Point Grey Golf Club, Vancouver, prior to the dance held there by the classes of '26. Golden tulips and mums were the centerpieces and the occasion for many interesting toasts. Among the invited guests were President and Mrs. L. S. Kinlock, Professor and Mrs. G. G. Moe, Miss Maude Allen, Mr. Fred Newcombe, Mr. Tommy Wilkinson, Mr. Hugh Tarr, Mr. Charles Rive, John McDermoch, Mr. Fergus Muir, Mr. William Gough and Mr. Willoughby Matthews. During the evening Dr. G. G. Sedgwick and Mrs. Sedgwick received a silver vase filled with roses from Arts '26, presented by Miss Doris McKay.

She promised a fight to the finish with persons who challenge her right to the British title, who have questioned the disposition she made of valuable Russian paintings entrusted to her care.

"I am going back to Los Angeles to straighten this thing out," she announced. "I have been informed that officers acting upon the complaint of Galya Mikitina and through an attorney, Sigmund S'Renco, have entered Mrs. Buckmaster's home where I live and have removed six paintings, two Oriental rugs and other articles. They have gone too far."

She explained that the six paintings, which were the work of a Russian court painter, had been given to her by her adopted daughter to dispose of them on a percentage basis. "Why if I wanted to take the pictures and dump them in the middle of the bay, I'd have a perfect right to do it so long as I paid this woman for them," she said.

"The first thing I shall do when I return will be to begin some action to regain possession of my property," she continued. "After that I shall begin some sort of action against the people who are seeking to injure me in this fashion. Just what that action will be I cannot predict until I secure an attorney to advise and represent me."

She blames the whole trouble on an unnamed Pasadena woman, who, she says, is jealous of her on account of a love affair.

WOMAN'S RIGHT TO TITLE CHALLENGED

"Lady Diana Bathurst" Promises a Fight to the Finish

San Francisco, May 7 (Associated Press)—Shaking the dust of San Francisco from her feet, "Lady Diana Bathurst," who went to school in San Antonio, Texas, as plain Virginia Hurst, departed for Los Angeles yesterday.

She promised a fight to the finish with persons who challenge her right to the British title, who have questioned the disposition she made of valuable Russian paintings entrusted to her care.

IRISH GIRL AHEAD IN QUEEN CONTEST

With the Irish candidate several laps ahead of her competitors, the contest for the coveted honor of Queen of the May 24 celebrations is daily growing in interest, and from now on, until the closing day, the contestants and their campaign managers will exert every effort to win the race for royal honors.

The standing of the Queen candidates is shown each day in the windows of the headquarters on Yates Street. This morning the standing of the various contestants was as follows: Miss Jennie O'Connor, Ireland, 9,600; Miss Winnie Griffiths, Wales, 4,600; England, Miss Dorothy Parsons, 2,400; Canada, Miss Kathleen Matthews, 2,100; Scotland, Miss Beattie Wallace, 1,900.

TRAVELED ARTIST TO LECTURE HERE

Stewart Dick of National Gallery, London, Here About May 20

Art lovers will be interested in the forthcoming visit to Victoria of Stewart Dick, artist and official lecturer to the National Gallery, London, and the South Kensington Museum, who is to be in the city at the end of the month. During his stay, Mr. Dick will give a lecture on some phase of art at the Crystal Garden gallery, under the auspices of the Island Arts and Crafts Society. While the date is not definitely set, it will probably be on May 20 or 21.

Mr. Dick was born in the historic old town of Dunbar, Fifeshire, Scotland. In early manhood he decided to devote himself to literature and art, and is the author of a number of interesting books. One of his earliest, "The Painters of the North," gives an artistic description of the various ancient towns and villages on both sides of the Forth, and is illustrated with reproductions in color of paintings by many well-known Scottish artists of many of the places of which he writes.

Another charming book is his "Cottage Homes of England," with colored plates of Mrs. Ailingham's beautiful paintings of the quaint old world cottages in many of the Southern counties of England. A visit to Spain in connection with the redecoration of the British embassy building in Madrid was responsible for "Toledo, the Heart of Spain," while "The Arts and Crafts of Old Japan" show that Mr. Dick has studied many fields of his subject.

London, May 8.—There are 15,000,000 pounds invested in travelling shows throughout the British Isles. It was reported at a recent meeting of the British Showmen's Guild. The business used to cater exclusively to children, but now has a large adult patronage as well.

Most shampoo powders, and prepared shampoos, contain too much free alkali. This dries the scalp, makes the hair brittle and ruins it.

The best thing for steady use is a mild coconut oil shampoo (which is pure and greaseless, and is better than anything else you can use).

Two or three teaspoonfuls of Multisided will cleanse the hair and scalp thoroughly. Simply moisten the hair with water and rub it in. It makes an abundance of rich, creamy lather, which rinses out easily, removing every particle of dust, dirt, dandruff and excess oil. The hair dries quickly and evenly, and it leaves the scalp soft and the hair fine and silky, bright, lustrous, fluffy and easy to manage.

You can get Multisided coconut oil shampoo at any drug store—it is inexpensive, and a few ounces will supply every member of the family for months. Be sure your druggist gives you Multisided. Beware of imitations—look for the name Watkins on the package. (Adv.)

THE ROMANCE OF BRITISH COLUMBIA—No. 18 1774-1926

Capt. Vancouver's Grave and Petersham Churchyard, Surrey, England.

ON his return to England, where he arrived on October 20, 1795, Capt. Vancouver devoted his time to the preparation of his journal for publication. He had corrected all the proof sheets—with the exception of those for the last few pages—when his death occurred. He died in the old Star and Garter Inn, Richmond Hill, Surrey, on May 10, 1798, and was buried in the graveyard of St. Peter's Church, Petersham, Surrey, on the 18th. Capt. Vancouver was only forty years old at the time of his demise, but no other name is more honored by British Columbians.

Let us live to foster a B. C. spirit, worthy of this man whose earnest effort and heroic enterprise helped so much in building the foundations of this prosperous and happy Province we now live in.

CROWS LEARNING TO KILL SHEEP; OWNERS ALARMED

Interior Sheep Man Informs Game Board Five of His Flock Killed in Two Days

Fear Birds Here May Learn Habits of N.Z. Parrots Which Slaughter Flocks

Crows not only kill game birds but form a serious menace to British Columbia's growing sheep industry. M. B. Jackson, K.C., chairman of the Game Conservation Board, declared today when he gave out details of the killing of sheep in the interior by crows.

Five lambs killed in two days is the experience of a farmer in the Maroon Valley, who has written to Mr. Jackson to support a vigorous campaign against the crow. Despite everything he can do, this farmer told Mr. Jackson, the crows descend upon his flocks and attack the young lambs. With their thin, immature skulls, the lambs fall easy victims to the crows which peck them in the head and instantly kill them.

NEWS IN BRIEF

The case of F. Woodcock, charged with driving to the common danger on Johnson Street in the City Police Court this morning, was adjourned on request of the accused until next Tuesday.

A roof fire at 427 Linden Avenue last night, called the Victoria fire department engines from the headquarters station into action, but was not allowed to develop into anything but a small blaze owing to the prompt work of the firemen.

The Victoria British-Israel Association will meet in the Victoria Fire Clubroom, Campbell Building, Tuesday evening at 8 o'clock. The president, Mr. Blackaller, will give an address on the subject, "Behold, Thy King Cometh."

A noticeable increase in building activity is seen in the figures for the first four months of the year as compared with the same period of 1925. The permits issued for the electrical wiring of new premises, 168 permits being taken out at the City Hall to April 30. For the month of April alone permission was granted to make sixty wiring installations.

George MacInnes, of the firm of William D. Carter & Company, barristers and solicitors of Vancouver, has written to ask the Victoria detective office for information regarding Rayleigh E. Swan, whose father died recently in Alberta. The son is wanted on matters pertaining to the estate of the deceased. No trace of him has been found since he went to the prairie harvest some time last year, it is understood here.

To those firms which so generously gave supplies for the concert at Sooke on May 1 in aid of the Queen Alexandra Solarium, special thanks are given by Mrs. J. F. Leary, 537 Niagara Street, who arranged the entertainment. The following business men and houses contributed to the success of the evening: C. J. Carey & Co., W. A. Jamieson, R. Johnson, Wilson Bros., Royal Dairy, Cowichan Creamery, Kelly, Douglas & Co., A. MacDonald & Company and Master's Bakery.

Leading members of the Association of Paint Manufacturers of the Pacific Northwest will pay a visit to Victoria to-morrow for a week-end trip. While here the delegates will be guests of the British America Paint Company, and will engage in a golf tournament at Colwood. Luncheon will be taken at the Colwood Club. At 4 p.m. the delegates will be the guests of His Honor R. Randolph Bruce at tea at Government House. The events to-morrow will close with a banquet at the Empress Hotel at 7 p.m., followed by a brief business session. Many of the delegates will remain in town over the week-end.

Members of the Liberal-Conservative Association spent an enjoyable evening on Thursday when the regular weekly five hundred party was held at headquarters in the Campbell Building. The question was taken up by those present, and it was decided that these card parties should continue, Wards Two, Three and Four to run in order every evening on Thursday. The regular monthly run other evenings during the month, to be arranged as dances and concerts, bridge, etc. It was felt that there were many who would not care for military five hundred and so, to suit all the members, this plan would give encouragement. The winners of prizes were as follows: First prize, Mrs. Robertson; Mrs. Berrow, Mrs. Smilie, Mrs. Ridgway; second prize, Mrs. Wolfe, Mrs. Cronk; Mrs. Clifford and Mr. Quenneville; ten bid, Mrs. Durick and Mr. Moore. Ward Two will operate the party next Thursday, with Mr. Miller acting as chairman.

Australians Declared With 538 For Nine Wickets; Essex Had Five For Two

London, May 7. (Canadian Press Cable). The cricket match between the touring Australian team and Essex at Leyton, was abandoned to-day on account of rain. Only a few minutes of play was possible before the rain fell. The Australians increased their score of yesterday to 538 for nine wickets and then declared.

Handy, not out, with 71 runs to his credit yesterday, was dismissed without adding to his score. Ellis and Mailey were at bat when the Australian skipper decided to declare the innings closed. The Essex team had lost two men when abandonment became necessary. Outmore had to retire when he was injured.

Seattle, May 7.—The steamship Admiral Peary of the Pacific Steamship Company, which ran around yesterday on Port Kusan Island, 150 miles north of Vancouver, B.C., arrived here to-day for drydock. The damage was estimated at \$100,000.

HOTEL LOBBY GOSSIP

VISITOR HAS MANY ADMIRERS

One of the most admired guests over at a Victoria hotel is a young man from the Hotel Strathcona, to-day and has been the recipient of a string of letters from admirers who have heard of his charming beauty and have sought the privilege of an introduction.

He is Kurt of Kenal. He has gained his fame through being the most beautiful shepherd police dog on the Pacific Coast. To some people he is known as an Alsatian wolf dog. To everybody he is quite friendly and affectionate, but never demonstrative.

Kurt's companion on his visit to Victoria is O. H. Reese, the widely-known dog expert and breeder of Seattle. Mr. Reese had to come to Victoria on some other business and Kurt had to come along too, because wherever Mr. Reese goes, Kurt goes also.

INSEPARABLE COMPANIONS
"Kurt is very masculine, but is not savage and is not timid," Mr. Reese said. "When I say that he is not demonstrative, I mean that he is very reserved in his manner and while friendly and glad to meet people, he does not want to jump all over and paw them. He acts like a well-bred person. He always sleeps in the same room as I do."

Kurt is only two years old, but his value is placed at \$3,000. His two brothers have been doing the dog shows and have swept everything in the prairie harvest money they have been exhibited. Mr. Reese got Kurt's mother from Europe and raised him from a puppy.

NEW VICTORIANS AS BOYS

Mr. Reese is an old-timer on this coast. On his arrival here he asked

about John Cochrane and Wallace Tarry, both of whom he knew as youths when they were living in Seattle in the days before the big fire of June 6, 1889. Since then Mr. Reese has had adventures in Alaska and has built up a reputation as a big game hunter.

MAINLANDERS HERE

One of Prince Rupert's prominent young citizens is honeymooning in the person of M. Gonzalez, who has arrived at the Empress Hotel with his bride.

Mrs. G. G. McGeer came over from the Mainland people here to-day to see Capt. W. A. Ostrum and his son, O. M. Shore, F. H. Clendenning, A. McAllister, V. A. Rollins of Vancouver who are at the Empress Hotel; Mr. and Mrs. J. Fraser of Vancouver and T. Henderson of Ashcroft who are at the Hotel Strathcona.

Mr. and Mrs. James Newton Rogers of Spokane have arrived at the Hotel Strathcona on a couple of days' holiday here.

ISLAND FOLK IN TOWN

Among the Island people in town to-day are Miss E. Thomas of Chemainus, Mr. and Mrs. W. O'Neill Duncan, who are at the Dominion Hotel; Mrs. H. A. Cull and her son of Duncan, Frank H. Holmes of Ladysmith, E. H. Hargrave of Dunsmuir, who are at the Hotel Strathcona.

Prairie arrivals include Mr. and Mrs. E. H. Hebb of Winnipeg at the Dominion Hotel; W. W. Brown of Winnipeg, A. E. Hebb of Winnipeg, A. E. Hughes of Calgary, who are at the Hotel Strathcona.

WATER CONSULTANT EXPLAINS PROPOSAL OF OAK BAY MERGER

A. E. Todd, Chairman of City Water Advisory Group, Favors Union of Systems

Litigation no Remedy For Divergent Views, in His Opinion

A. E. Todd, city water consultant and chairman of the Advisory Water Board, commenting to-day on the informal suggestion that the city negotiate with Oak Bay as to the purchase of its waterworks system, said:

"It is a fact that this suggestion came a couple of months ago from a prominent and well-informed citizen of Oak Bay. In discussing the matter at that time it was pointed out that the city water system was in a state of disrepair and that it was necessary to provide union was upon a basis fair to all."

FIGURED ON SURPLUS
"Many people do not know that years ago, when the wholesale contract was entered into with Oak Bay, and also with Saanich, both contracts were based upon the idea that Victoria for several years thereafter would have available surplus water, and that it was better to let the neighboring municipalities, at any low price, have what they could use of the surplus water than to build up proper water distribution systems rather than permit this water to run to waste."

"Circumstances now are different, and the conditions and developments in and around Victoria cause the available water surplus to exist to nothing like the extent that is popularly imagined. If the people of the whole Greater Victoria area wish a plentiful and continuous supply of water, each section must commence to pay its fair, proportionate share of the cost."

CAREFUL CALCULATIONS
"This, in the case of Oak Bay, is at present represented by the wholesale price of 12.2 cents per 1,000 gallons delivered at Oak Bay's municipal boundary. This figure of 12.2 cents per 1,000 gallons has been arrived at by careful calculations and no one has yet been able to show errors in these calculations, though every opportunity for investigation and detection of errors has been given."

"Incidentally, it is a fact that at wholesale price of 12.2 cents per 1,000 gallons Oak Bay can, without operating its own department at financial loss, supply its individual consumers at the same rates as are paid to the city by individual Victoria consumers."

"The city in its negotiations with Oak Bay has endeavored to act with the utmost fairness and patience, feeling that every effort should be made to arrive at a mutually satisfactory settlement; failing this, arbitration will, of course, be resorted to."

FEARS LITIGATION

"Unfortunately, arbitration with Oak Bay appears to mean, firstly, litigation and then arbitration; the two together involving considerable expense. It is an easy thing to start litigation, but not so easy to stop it or to check its cost. Whatever the cost of the litigation and following arbitration the public of the city and Oak Bay will have to pay the bill, and remain faced with the necessity of working together in the end, it would, therefore, seem wise, before resorting to this last step of litigation and arbitration, to make quite certain that every possible avenue of amicable settlement has been fully inquired into."

WITNESSES TELL OF LIQUOR SEIZURE

Story of Barge Trebley in St. Lawrence Told at Customs Inquiry

Bisaillon, Former Customs Official at Montreal, Absent From Hearing

Ottawa, May 7.—The tale of the barge Trebley, seized in the St. Lawrence River by Quebec Liquor Commission officers one November midnight in 1924, was begun at the customs inquiry to-day. A long list of witnesses has been called and the case will be long drawn out.

This morning two inspectors of the Quebec Liquor Commission described the seizure of the barge, the turning over to former Customs Inspector J. A. Bisaillon of his cargo and crew and the arrest of several United States citizens, who appear to have later got away.

TAKEN TO MONTREAL
After days of search up and down the river between Quebec City and Montreal, the inspectors traced the Trebley to St. Sulpice. Her cargo was being unloaded and five cases were found in a truck, which was seized and its driver arrested. The barge and the remainder of the cargo, 2,700 cases, were taken to Montreal, where Bisaillon met them, took over the prize and said:

"This is a fine seizure for the customs."

There were three or four United States citizens aboard when the barge was first boarded. By the time reinforcements of Liquor Commission officers had arrived there were only two, who gave their names as Campbell and Stewart of New York City. These tried to slip away. They were put aboard the barge again and there the witnesses of to-day lost sight of them. One was a "handsome man, about twenty-five," and the other a "big, hairy bear of a man."

FREE WITH MONEY
Both were free with their money. One of the witnesses said he had been told they were the owners of the liquor, which was apparently destined for the United States. Joe

CANADIAN LEGION UNION IS APPROVED

B.C. Provincial Command of G.W.V.A. Votes in Vancouver For Membership

Vancouver, May 7.—The provincial command of the Great War Veterans' Association, in convention here to-day, resolved itself into a final convention and, in a resolution, pledged the branches represented to enter the Canadian Legion of the British Empire Service League as a body, as soon as the Canadian Legion is fully incorporated. A Dominion organization with all the rights and remedies pertaining thereto.

In the preamble to the resolution it was stated the Dominion command, in convention June 29 last, had decided to do its part in commencing the unity of veterans when adequate provision had been made for carrying on an efficient bureau for the care of disabled veterans and their dependents. This was made accomplished fact by the National Council of the Legion April 11 last, when the service bureau was instituted.

PREPARE PLAYERS FOR GAME WITH ENGLISH

Veterans Field Smart Team to Meet Nanaimo

Final Match for B.C. Football Championship in Vancouver To-morrow Will See Two Fine Clubs in Opposition; Vets Have Trained Hard and Are Ready for Hard Pace All the Way; Vets Will Become Victoria United After Game; Players Transferred

Victoria's hopes of winning the British Columbia football championship rest on the toes of the Veterans who, to-morrow afternoon at Vancouver, will face Nanaimo City. These teams will meet at Con Jones's park to determine which is to take home the Province Cup. In any case the trophy will come to the Island, as the Veterans knocked the Maimland entry, South Hill, out of the running two weeks ago.

It is a long time since a Victoria team has reached the finals in this series. Nanaimo, who reached the Dominion finals last year and on several occasions have won the Connaught Cup, will provide a very stiff formation and the locals will have their hands full.

When the Veterans encountered Nanaimo in the local City early in the season they were successful in bringing off a win by 3-1. Since that time both teams have strengthened up, particularly Nanaimo, the club having effected an amalgamation with the other Nanaimo team and secured Dicky Stobart again.

VETS ARE FASTER

Nanaimo can be counted on to use their short passing game, while the Veterans will endeavor to swing the tide their way by their extra speed.

The Veterans will field the same team which was so successful against South Hill. Tommy Bridges will play goal and Campbell and Meredith, two good-kicking backs, will be at full-back. The half-back line will include Bowman, McCormick and Preston, captain. Phillips will play outside right with Cameron in the "Spud" Miffield will trot about at centre forward with the veteran Clarkson at outside left and Smith inside. Thornett and Dickinson will be taken along as reserves.

The Veterans had a good workout at the Y.M.C.A. last night and every man reported in good shape. The team is fit to step in the first clip over the full ninety minutes of play.

All players are asked to meet at the Veterans of France clubrooms tonight at 10.30 o'clock. The club will have a number of refreshments, will leave at the midnight boat.

When the Veterans finish their game with Nanaimo they will pass out of existence. The club will be renamed Victoria United and will play in the Connaught Cup series. All the players who have been with the Veterans will transfer to the new club and, in addition, following other prominent local stars have been signed: Tommy Peden and Jimmy Sherratt, of Victoria West; Allan Tuckwell, of the Sons of England; and "Red" Cummings, Spiers and Allen, of the Garrison.

These players will be available to play for Victoria City against South Hill on May 22 in the first round of the Connaught Cup series.

TED RAY—DISTANCE WITH IRON CLUBS

Whilst it is erroneous to press when using the iron club, it is advisable to let the club go well through without too much hindrance and check, as checking will have the effect of shortening your distance. In the up-swing the left leg should be steady, while the left ought to move inward a trifle.

In the down-swing I generally contrive to make the club reach its lowest point, so that the effect is that the club, more or less, swoops down on the ball, though, at the same time, I always endeavor to get a certain amount of pith into the stroke. Once the ball has flown away from the iron, the left leg should bear your weight.

If you are confronted by a bunker, there is no necessity to make your ball, in a measure, emulate an aeroplane, and here I would suggest taking the stance rather in front of the ball or by a more acute swing.

Occasionally an iron club will be found useful in the playing of the tee shot, and personally I believe in the use of a very small sand tee.

On Second Thought

Modern definition: Turfman, any bird with a cap, a copy of Racing Form, a speaking acquaintance with a stable swine, an unsatisfied appetite and an infinite knowledge of what the horses CAN'T do.

Way down yonder in the corn field you can hear Harry Williams singing to Mr. Dempsey. "How come you do me like you do, do, do?"

Talking movies have been perfected. Goodie! This at least provides serious opposition for the pest who rodes the sub-titles aloud.

A recent soccer game in New York drew more fans than the Giants, proving again that the American public wants something worth watching.

Fives and Incogs Will Provide Main Cricket Attraction

Teams Victorious in Opening Matches Will Meet For League Leadership

Victoria Travel to Cowichan; Tail-end Teams Will Engage in Match

Five C's and Incogs, two of last week's winners in the opening matches of the Victoria and District Cricket League, will meet to-morrow afternoon in what should prove the most keenly-contested game of the day. These clubs, rivals for many years, will meet at the fine grounds at Beacon Hill.

Three other matches are also scheduled and will be as follows: Cowichan vs. Victoria at Cowichan; Cowichan Wanderers vs. Harlequins at the Jubilee grounds.

Two C's vs. Albions at Mount Talmie. The Victoria eleven will travel to Cowichan and will have a hard match on their hands. Cowichan opened the season with a victory over their fellow-townsmen, the Wanderers. Victoria went under before the Harlequins. In past seasons Cowichan have been almost unbeatable on their own grounds.

HARLEQUINS STARTED RIGHT

The Cowichan Wanderers will find the Harlequins a difficult team to beat. The Harlequins started off with a win last week and showed good strength.

The Two C's and Albions both suffered reverses last week and will be playing to-morrow those which will lift itself from the cellar.

All eight cricket teams have clustered good sides this year and it is too early to make any predictions as to which club will be up at the finish.

ENTRIES FOR DOG SHOW WILL CLOSE TO-MORROW NIGHT

This evening and to-morrow evening are the last dates upon which entries will be received for the annual Spring show of the Victoria Kennel Club, to be held on May 14 and 15.

Interest is running high for the affair, one of the most important of the year in the local canine world. In a letter received from the secretary of the Canadian Kennel Club yesterday, it was stated another special trophy has been put up for the show.

This award will be made to the best dog or bitch in the show, regardless of class. It is a trophy worth trying for and should serve to make competition still more keen.

Entries will be received any time after 7.30 o'clock to-night or to-morrow evening at McGlo's Auction rooms. All those intending to enter their favorites should be sure to hand their entries in before it is too late.

Renault Will Fight Hollander To-night

New York, May 7.—A seething summer season for heavyweight boxers will open here to-night, when Jack Demage, native of Holland, meets Jack Renault, of Montreal, at Madison Square Garden in a ten-round bout.

Gordon Cup Shoot is Postponed One Week

Owing to unforeseen circumstances arising out of the visit of His Excellency the Governor-General the annual competition for the Gordon Cup between No. 5 Victoria High School Platoon and No. 7 North Ward School Platoon. The North Wards won after a close contest. Score: V.H.S. Platoon Team—Pts. Cadet Arthur Smith 97, Sergeant Mark Bong 96, Sergeant G. Parnell 94, Cadet I. Grant 92.

Strike Causes Rifle Match to be Cancelled

New York, May 7.—The general strike in Great Britain has brought postponement of the rifle matches between a United States team from the Seventh Regiment and the Queen's Westminster and Civil Service marksmen scheduled for Bisleigh, Eng., May 31 and June 1.

"BAT" NELSON IN TROUBLE

Helena, Mont., May 7.—A warrant charging "Bat" Nelson, former world's lightweight boxing champion with passing fraudulent checks, was issued here late yesterday on complaint of several Helena business firms after several of Nelson's checks were returned from a Chicago bank protested.

SAANICH THISTLES OPPOSE ESQUIMALT SENIORS TO-MORROW

Arrangements have been completed for a soccer game to-morrow afternoon at the Royal Athletic Park between the Saanich Thistles, junior champions, and Esquimalt, winners of the First Division. The game will start at 3 o'clock.

Two Splendid Elevens Picked For Test Game

Next Wednesday Afternoon Teams Will Meet, Following Which Representative Eleven Will Be Chosen and Sent to Nanaimo for Game; Upper Island Team Will Come Here for Return Game Later; Thorough Training for the Men Selected

First steps in the selection of a local team to oppose the English football eleven which will play here on June 23, have been taken by the Lower Island Football Association. This morning the officials announced the selection of two sides which will compete on Wednesday afternoon, May 12, at 5.30 o'clock at the Royal Athletic Park. These teams will compete for the honor of representing Victoria against the pick of the Upper Island and then go into serious training for the match against the English.

The teams selected include the best footballers in the city and both the Wednesday League and First Division are represented. The selections are as follows:

Reds	Position	Blues
Bridges, Veterans	Goal	Shrimpton, Hudson's Bay
Watt, Esquimalt	Full-back	Campbell, Veterans
Whyte, United Services	Full-back	Mesher, Esquimalt
Thornett, Veterans	Right-half	Shanks, S.O.E.
Preston, Veterans	Centre-half	Peden, Victoria West
Bowman, Veterans	Left-half	Hay, Esquimalt
Stewart, Esquimalt	Outside Right	Cummings, United Services
Mulcahy, Victoria West	Inside Right	Cameron, Veterans
T. Watt, Esquimalt	Centre-forward	Coulter, United Services
Warren, Esquimalt	Inside Left	Smith, Veterans
Clarkson, Veterans	Outside Left	Thomas, S.O.E.
Tuckwell, S.O.E.	Reserve	Harwood, S.O.E.
Robertson, United Services	Reserve	Hosmer, Esquimalt
J. Watt, Esquimalt	Reserve	Phillips, Veterans

These teams should provide one of the best soccer matches that has ever been played on local elevens. In the past there have been difficulties in getting together representative teams, but the L.F.A. has every one in good humor now and have them keyed up to the task in hand, that of giving the touring Englishmen a real game of soccer.

FORWARDS ARE VERY GOOD

The two forward lines are particularly good, having fast, clever men, as well as hard shots. There should be a lot of spirited play in the goal-mouth. The forward lines look to be superior to the back divisions, although the half-backs are experienced men, the backs hard kickers and both goalies of outstanding ability.

The selection committee of the L.F.A. will meet after the game next Wednesday and pick an eleven which will journey to Nanaimo for a game with the pick of the Upper Island the following week. The Upper Island team will come to Victoria later for a return game with the Capital's best.

The players named by the selection committee of the L.F.A. for the test against the Englishmen will be turned over to a trainer and put through a conditioning process which will ensure them being in first-class trim for the tussle.

Ralph Alcock, the ice comedian, will be the referee of the game here next Wednesday.

PICK YOUR OWN

Spectators at this game who think they can help the selection committee out in its task of picking the final eleven are invited to send their selections to the Sporting Editor of The Times.

EBER-ROSENBERG BOUT

Toronto, May 7.—Negotiations for a world's bantamweight championship bout between Charlie Rosenberg and Bobby Eber were this afternoon declared to be "off" as far as his club was concerned, by Matchmaker Playfair Brown, of the Shamrock Athletic Club, who has for some days been conferring with Rosenberg's manager here.

"Nobody wants him to end his career," said Brown.

"Bob Weaver of the Los Angeles A.C., a member of the committee, is furnishing us with the facts in the matter. He reports he sees no reason why Hoff can not fulfill his promise given early in March to compete in San Francisco."

Pasadena, Cal., May 7.—Charles Hoff to-day reiterated his determination not to appear in San Francisco to-morrow, and declined to discuss further his relations with the A.A.U.

Western trip of Charlie Hoff appears to be at an end.

Unless the Norwegian pole vaulter appears at San Francisco to-morrow he will be barred from further competition in this country. Late yesterday the vaulter, visiting here for the day, was informed of New York A.A.U. officials' decision to this effect. In reply he reiterated his statement that he would not appear at the Bay City, because he was in poor condition.

Boys Leads McMillan

Prince Rupert, May 7.—Sid Boys, English billiard champion of Western Canada, was leading by 123 points at the close of the first session of the special billiard match played here against Jack McMillan, former Dominion titleholder, the closing scores Wednesday night being 625 to 477.

The score yesterday afternoon was, Boys 1,250, McMillan 1,008.

The "pairs" competition staged by the Victoria Quilting Club on Saturday was a great success. There were twelve entries and some good play was witnessed by a very interested crowd of spectators. The finalists were J. McMillan and F. Taylor vs. T. Alexander and R. Leiper, the former pair winning by the odd shot after a hard contested game.

A handicap will be played on Saturday, starting at 2 o'clock.

French Team Picked To Oppose Denmark In Davis Cup Match

Paris, May 7.—The French Tennis Federation yesterday designated the team which will face Denmark in the Davis Cup championship second round play, May 14, 15 and 16. The French team will include Rene Lacoste, Henri Cochet, Paul Peret and Jacques Brugnon. Jean Borotra, the well-known player, will not be able to participate because of injuries he suffered while training.

CHARLEY HOFF

Charley Hoff, the vaulting Viking, leaped to a new American outdoor record in the pole vault at the Drake relays last week, clearing 13 feet 9 1/2 inches. It beat the best previous mark hung up a few weeks ago by Lee Barnes of the University of Southern California by several inches.

Hoff is here depleted getting over at the record height. He had plenty of room to spare apparently, and, as many experts predict, should top the 14-foot mark ere he returns to his native Norway.

Declare Wills King Of Heavies Then Let Dempsey Box Tunney

New York Commissioner Finds Uniquely Way Out of Heavyweight Tangle

This Would Allow Fight to be Staged in New York Before a Big Gate

New York, May 7.—Only by declaring Jack Dempsey's heavyweight title vacated and elevating Harry Wills to championship recognition in the negro's long-standing challenge can the New York State Athletic Commission open the way for Dempsey to battle Gene Tunney at the Yankee stadium in September. Otherwise, Tex Rickard will be compelled to take the bout to his Jersey City arena, Boyle's Thirty Acres.

This somewhat startling pronouncement came yesterday from George E. Brower, member of the boxing commission. Brower, it is conceded, holds the key to the situation because of the deadlock between Chairman James A. Farley and Commissioner William Muldoon. Farley insists that Wills be given a title battle while Muldoon supports Tunney.

CAN'T DISCIPLINE TEX

So far as recognizing Wills as the leading challenger is concerned, Brower yesterday definitely aligned himself with Farley. At the same time, Brower sees no way by which the commission can force Rickard to match Dempsey with Wills instead of Tunney or discipline the promoter if he does not do so.

To hasten a solution of the problem Brower may propose that Wills be declared the champion. This, he explains, would be based on the failure of Dempsey to sign definitely for a bout with the negro. Dempsey then would revert to the status of "title contender" in the eyes of the commission. As such he would be free to fight Tunney here or elsewhere without interference by the boxing solons.

CHARLEY HOFF HAS MIND MADE UP NOT TO PERFORM AT GATE

Boston, May 7.—William Prout, chairman of the foreign relations committee of the Amateur Athletic Union, said to-day that if Charlie Hoff is physically unfit for competition the A.A.U. will be the very first to offer him a helping hand.

"Nobody wants him to end his career," said Prout.

"Bob Weaver of the Los Angeles A.C., a member of the committee, is furnishing us with the facts in the matter. He reports he sees no reason why Hoff can not fulfill his promise given early in March to compete in San Francisco."

Pasadena, Cal., May 7.—Charles Hoff to-day reiterated his determination not to appear in San Francisco to-morrow, and declined to discuss further his relations with the A.A.U.

Western trip of Charlie Hoff appears to be at an end.

Unless the Norwegian pole vaulter appears at San Francisco to-morrow he will be barred from further competition in this country. Late yesterday the vaulter, visiting here for the day, was informed of New York A.A.U. officials' decision to this effect. In reply he reiterated his statement that he would not appear at the Bay City, because he was in poor condition.

Boys Leads McMillan

Prince Rupert, May 7.—Sid Boys, English billiard champion of Western Canada, was leading by 123 points at the close of the first session of the special billiard match played here against Jack McMillan, former Dominion titleholder, the closing scores Wednesday night being 625 to 477.

The score yesterday afternoon was, Boys 1,250, McMillan 1,008.

The "pairs" competition staged by the Victoria Quilting Club on Saturday was a great success. There were twelve entries and some good play was witnessed by a very interested crowd of spectators. The finalists were J. McMillan and F. Taylor vs. T. Alexander and R. Leiper, the former pair winning by the odd shot after a hard contested game.

A handicap will be played on Saturday, starting at 2 o'clock.

French Team Picked To Oppose Denmark In Davis Cup Match

Paris, May 7.—The French Tennis Federation yesterday designated the team which will face Denmark in the Davis Cup championship second round play, May 14, 15 and 16. The French team will include Rene Lacoste, Henri Cochet, Paul Peret and Jacques Brugnon. Jean Borotra, the well-known player, will not be able to participate because of injuries he suffered while training.

Pitchers Regain Some Of Their Lost Glory

Batsmen Held in Check in Several of Yesterday's Major League Games; "Dazzy" Vance Once Again Batted From Box But McSweeney, Who Relieved Him, Was Unhittable; Washington Wins Fifth Straight by Handing Yankees Fourth Licking in Row

New York, May 7.—Pitchers regained some of their lost prestige as East and West clashed for the first time in the major league yesterday. Perhaps the strangest exhibition took place at St. Louis, where "Dazzy" Vance, of Brooklyn, was driven from the box in the first inning when St. Louis accounted for three runs. After that Douglas McSweeney, formerly of the White Sox, pitched hitless ball against the Cards, but his mates could make only five safeties off Rhem and St. Louis won 3-1. Rhem and McSweeney fanned six men each.

Barnes, of the Giants, and Root, of the Cubs, staged a bitter battle in Chicago, with the Giants winning 2-1. Four singles and an error by Cuyler in the sixth gave the Boston Braves three runs, enough to beat the Pirates.

Cincinnati smashed out eighteen hits to beat the Phillies 14-4. A three-run rally in the ninth gave the Athletics their fourth straight victory, St. Louis losing its first game in the East 5-4.

WASHINGTON DOWN YANKS

Washington's fifth straight victory and the Yankees' fourth straight loss arrived at the same time when the Senators downed the Yanks 5-3. Goslin and Peckinpaugh hit homers for Washington.

Hall Wills; youngster with the Red Sox, hurled a powerful game and defeated Cleveland 1-0. Only five hits were made off the recruit.

Reorganization of Military Athletic Association To-night

In an effort to develop all kinds of sports among the military men of this city a meeting will be held in the Armories this evening at 8 o'clock.

The Victoria and District Military Amateur Athletic Association, which was very active a few years ago, will be reorganized.

It is the intention of those who are calling the meeting, to get various sports going among the military units and then to form teams and enter them in the different leagues in the city.

STAR OF PLAYHOUSE PICTURE IS FAMOUS SILVER SHEET BEAUTY

Irene Rich, now playing the stellar role of Joan Winslow in "The Pleasure Buyers," the Warner Bros. Classic Theatre, was born in Buffalo, N.Y., and educated at the St. Margaret's Girls' School. She made her film debut in 1915 as an extra, but forged ahead so rapidly that she is now considered one of the finest and most beautiful actresses on the screen. "A Lost Lady," "Beau Brummel," "Rosita," "Main Street," "My Wife and I," and "The Wife Who Wasn't Wanted" are among her most popular screen successes.

HILARIOUS COMEDY ON COLISEUM STAGE EXCELLENTLY ACTED

"Sick A-Bed" is running an hilarious course at the Coliseum Theatre, where Ed. Redmond and his company have a peppy show which is undiluted farce right through and all the parts are well cast and well acted. "Sick A-Bed" is well up to the standard of anything yet presented by the present company at the Coliseum and there is not a dull moment anywhere. The Coliseum

LOST BIG PART IN PICTURES BECAUSE HE RESEMBLED STAR

It doesn't do to look too much like some one already well established in the movies.

This was discovered to his great sorrow by John Miljan, who plays the role of the villainous lion-tamer in Norma Shearer's latest picture, "The Devil's Circus." Benjamin Christianson's first American production for Metro-Goldwyn-Mayer, now playing at the Dominion Theatre.

Miljan says his resemblance to Lewis Stone has cost him more than one fat part. Directors of the larger companies dislike using in an important role any new actor who looks like one better known.

"I was slated for a good role in 'Confessions of a Queen,' says Miljan, 'when my resemblance to Lewis Stone, who played the leading role, was observed. I didn't get the role. Whenever I go after a part now I try to look as little like any one else as possible.'"

The cast of "The Devil's Circus" includes Charles Emmett Mack, Camiel Myers, Claire McDowell, Joyce Coad and the dog Buddy.

AUTHOR OF "SANDY" ON SCREEN AT CAPITOL IS FLAPPERS' CHAMPION

Don't condemn the modern flapper until you hear her side of the story! There have been scores of motion pictures assailing the morals and behavior of the daughters of the younger generation. Now Elinor Meherin has risen to their defence in a story that after serial publication in over a hundred newspapers has now found its way to the screen as a Fox Film.

The picture is having a successful engagement at the Capitol Theatre this week. It was brought to the screen under the direction of Harry Beaumont with Madge Bellamy in the title role. Other favorites too are featured—among them being Harrison Ford, Harrison Bard, Gloria Hope, Leslie Fenton and David Torrence.

TOM MIX LATEST AT COLUMBIA NOW IS ONE OF HIS BEST

"The Everlasting Whisper," starring Tom Mix, which opened last night at the Columbia Theatre, is a screen version of Jackson Gregory's novel and could scarcely have been a better vehicle for the popular William Fox western star if it had been written for him. Set in the vast splendor of the rugged Northwest, it is the story of a virile man who loves as he fights and who fights very well indeed.

The plot differs somewhat from the usual type of "western," in which Tom has broken men and horses. In "The Everlasting Whisper" he tames a little tigress of society and, in taming her, makes her love him. An excellent cast is seen in this Mix production. Alice Calhoun plays the girl and the villainy is supplied in part by Robert Cain. Others seen in the picture are George Bancroft, Sid Jordan, George Berrell, Virginia Madison and Karl Dane. The picture was directed by J. G. Blystone.

"It's easy to see your people came from Ireland," "An' that's where ye're wrong. They did nothin' of the kind." "What? Didn't they come from Ireland? With the brogue?" "They did not. They're there yet."

THIRTY BIG SCENES IN "THE SCANDALS" COMING NEXT WEEK

George White's Scandals will be presented at the Royal Victoria Theatre on Friday and Saturday, May 14 and 15, with Saturday Matinee. The current edition of the "Scandals" is the sixth consecutive production in a series of revues inaugurated by Mr. White in the Summer of 1919. The revue to be seen here will be offered in two acts and thirty massive scenes, all of which have been staged by the youthful actor-manager. The comedy scenes are by William K. Wells and Mr. White. Bud De Sylva and Ballard Macdonald supplied the lyrics. The score is from the pen of George Gershwin. All of the costumes, stage decorations and curtains were designed by Eric and executed by Max Weldy of Paris. It requires a company of more than a hundred players to present the big revue. Mr. White boasts of the fact that he has succeeded in selecting a rare collection of new beauties.

DEPUTY MINISTER SAVES CITY FROM EARWIG PLAGUE

Robert Dunn, Deputy Minister of Mines, qualifies as the first citizen in 1926 to submit a suggestion to the City Hall that proved to be a practical idea of value to the community. In drawing the attention of the city authorities to the presence of earwigs in one section of Victoria the Deputy Minister is formally credited with having saved fellow citizens expense and annoyance.

The City Council received word of the earwig infestation seriously; went to some pains to substantiate the report by actual tests as to the prevalence of the insect; and is now in receipt of data which will lead to a city-wide campaign against the pest. The area where the insect is found in greatest numbers will be isolated and a thorough drive made against the pest with poison bait, it is stated.

The local history of the earwig is comparatively brief. In 1916 the European earwig was found in some numbers in the home of a ship arriving from Europe via Asia. As early as 1911 isolated examples of the pest had been found in bulbs and other nursery stock from Holland. In 1919 the earwig was found to be thriving at English Bay, Vancouver; a few years later, in the trees of that city; and in a short while in Victoria itself.

This year Vancouver will spend \$10,000 to keep down the spread of the insect plague. Seattle at this date offers fifty cents a pint for earwigs brought in by boys in the Sound City. Seattle a few years ago held a clean-up in which it reduced the hordes of earwigs to control, but they are winning their way back again, it is stated.

Poison bait in May and June, laid on the ground after sundown attracts the earwigs and they die in great numbers. The city plans the preparation of the poison compound, and will issue a general call to residents in the affected area to lay it out on the ground in accordance with instructions. Only a small area of the city is affected at present, it is believed.

It is explained that, unless the drive against the earwigs is to be universal, it fails, as they spread from property where no precautions were taken. The life history of the earwig is well told in a Provincial Government pamphlet issued last year, together with instructions of how to combat the pest.

Little known here, though a long established pest in older lands, the earwig does not harm human beings, but creates a general nuisance in that it overruns gardens, eating everything in sight and spreads to house interiors where it can do much mischief.

The City Lands Department has collected a number of specimens of the earwig in its search of city property to-day. The females lay their eggs two inches under ground and rear large families. The earwigs lie in darkness in daytime; under rubbish piles, boards, or garden refuse. At night they feed, and it is then they take the poisoned bait. To avoid trouble with poisoned baits the city will likely prepare its own and issue this free to the residents when the general call is made on property owners in a few days' time. The use of poison is often a danger to poultry, pets, etc., and some control of that phase of the case will be worked out.

LACQUERED at 11.30

Ready for Lunch

"Look!—It's dry already"

"Why, I only lacquered this chair at half past eleven, just before I set the table. Shabby old thing! And now look at it! Why, it's a beautiful new chair, ready for Betty's lunch. See!—dry and hard as can be."

And so will any piece of furniture be, if you paint it with this wonderful, new brushing lacquer. It's the perfected lacquer. It's just as good for furniture, toys or any other wood-work as it is for floors—either in the wood-stained or waxed style finish, or in the tinted breakfast room and sun-room style, so popular in modern houses.

It's so easy to put on

Anyone can do it. Touch up the scratches on your white enamel paint, on your walnut or mahogany, your piano, your phonograph or your radio cabinet, the base boards, the doors, the window frames—anything in the house that needs paint or gloss.

There are 31 colors and shades including black, white and clear. And every can of Rogers Brushing Lacquer is sold under a money-back guarantee. Try it. Get a can and do over the children's toys. It's wonderful.

SIX CRUISES SET FOR NEXT YEAR

Frank C. Clark and Raymond Whitcomb Arrange 1927 World and Other Tours

The Frank C. Clark tourist agency has chartered the Cunard-Anchor liner California for a round-the-world cruise, sailing from New York on January 19, 1927, via the Panama Canal. This agency has also taken the Transylvania, which will sail on January 29 for the Mediterranean, and the Scythia, which will leave January 26 also for the Mediterranean.

Under the auspices of the Raymond Whitcomb Company the Samaria will leave New York for the Mediterranean on February 3, and the Carinthia will leave in April for the Mediterranean.

The Raymond Whitcomb people will operate the Leona on a South American cruise, leaving New York January 29, and arriving back at New York April 1.

The South American and Mediterranean cruise will be taken by the Caledonia, leaving New York February 5 and ending April 25, operated by Frank C. Clark.

ENA WILL RESUME SERVICE IN JUNE

Canadian Pacific Freighters to Have Tanks Fitted For Carrying Fish Oil Installed

It is planned to put the steamer Princess Ena back into service early in June, according to an announcement made to-day by company officials.

While the ship is laid up for repairs at the Victoria Machinery Depot, she will be fitted with steel tanks of 15,000 gallons capacity for the carrying of fish oil from reduction plants located on the west coast of Vancouver Island.

Ss. Princess Patricia is at present laid up at the Belleville Street docks or repairs, and she resumes service between Vancouver and Nanaimo on May 16.

Ss. Princess Kathleen is at present in the Government dock at Esquimalt for cleaning and painting. When her work has been completed, the Princess Marguerite will be docked for cleaning and painting.

Ss. Otter is laid up at the Evans, Coleman and Evans docks and will be used this summer for carrying freight up and down the coast.

PUNCTURE HER HULL

Sault Ste. Marie, Mich., May 7.—The steamer Glenzie, up-bound, punched a hole in her hull Wednesday night when she encountered a heavy ice flow off Detroit. The vessel began to fill and was beached to prevent sinking. All on board were reported safe.

UNIVERSAL OPINION

Bigger and Better Than Ever

That's going some—but skinny men, women and children just can't help putting on good healthy flesh when they take McCoy's Cod Liver Extract Tablets.

Check full of vitamins—the kind that are extracted from the livers of the cod—the kind that are a real help to frail, run-down, anemic, skinny men and women.

Try these sugar coated tasteless tablets for 30 days—if they don't help greatly get your money back.

One woman gained ten pounds in twenty-two days. Sixty tablets, sixty cents. Ask Vancouver Drug Co., MacFarland Drug Co., Owl Drug Co., or any druggist for McCoy's Cod Liver Extract Tablets. Directions and formula on each box.

"Get McCoy's the original and genuine." (Advt.)

Visitors Make Tourist Camp Permanent Home

Vancouver, May 7.—Reports that certain persons had taken up permanent residence at the municipal automobile tourist camp on the Pacific Highway in South Vancouver, where free water, wood and other camping necessities are supplied, led to the council of that municipality adopting last night a resolution to limit visitors' stays to three days.

RUTH ALEXANDER TAKES LARGE LIST

Vessel Late in Docking Last Night Due to Her Berth Being Taken by Ss. Allanbank

With over 300 passengers aboard and a good cargo the Pacific Steamship Company's steamer Ruth Alexander sailed for California ports last night at 12:30 o'clock. About eighty passengers joined the ship at Victoria.

The Ruth was late in berthing at the Outer Dock on account of the steamer Allanbank occupying her berth at Pier 1, and it was 11:45 o'clock before the Ruth tied up. The Allanbank had considerable trouble in backing out from the wharf due to the heavy southeast wind that was sweeping over the docks. After the lines had been thrown off the wind caught the stern of the Allanbank, swinging her around and she started to go out from the dock sideways. The pilot then dropped the anchor and pivoted the ship around, getting her into a straight position. The Ruth Alexander then backed out to a position off Brothie Ledge and the Allanbank continued out to sea, the Ruth then coming into the dock.

Sale of Five Ships Still Being Fought

Washington, May 7.—The position of Vice-Chairman Plummer of the Shipping Board, that the sale of five ships of the American-Oriental Line out of Seattle to the Dollar interests of the British, has not been settled, remained unshaken to-day under a cross-fire of examination by Senator Williams, Missouri.

SAN FRANCISCO SHIPPING

San Francisco, May 7.—Seven tankers carrying a total of 30,000,000 gallons of gasoline are en route from the Pacific Coast to New York. The Standard Oil tanker Niobe arrived yesterday, is loading at Martinez, and is expected to get away during the week, increasing the tankers bound from this coast to London to eight. Local shipping men predict that the British strike will not interfere with the discharge of the tankers, as this discharge is by tank lines at stations under control of the British Admiralty.

With 369 passengers the round-the-world liner Franconia of the Cunard fleet is due here to-morrow on the last leg of her cruise. The Franconia will remain until Saturday, when she will sail for New York by way of San Pedro, the Canal and Havana.

Bids for floating the Associated Oil tanker Marlin, which sank recently in collision with the Union Oil tanker Frank G. Drum were opened here yesterday. Four bids were submitted, the lowest being presented by the Red Stack company, \$36,000. The Frank G. Drum is on the way at the Moore Drydock Company, undergoing repairs.

Departure of the H. Liebes and Company's Arctic trader Charles Brewer for the Far North has been delayed. The vessel was to sail yesterday but will not get away until Saturday or Sunday. No reason has been given for the delay.

CLYDE SHIPBUILDING

Shipbuilding on the Clyde for the first three months of this year showed a considerable decrease as compared with the same periods for 1925 and 1924. In addition, less new work was reported during March than in the two previous months. Shipyard owners report no immediate prospect of any substantial increase.

Statistics for the three months ending March 31 show a total of thirty-nine vessels aggregating 84,000 tons, as compared with 143,000 tons for the first quarter of 1925, and 150,000 tons for the first three months of 1924.

WATCHING STRIKE EVENTS ON THE CLYDE

H.M.S. HOOD

Victorians will remember H.M.S. Hood, which visited this port on June 21, 1924, together with H.M.S. Repulse and the squadron of light cruisers under Vice-Admiral Sir Frederick Field. The Hood and the Repulse berthed at the Canadian National docks at Ogden Point, marking the first time that the two great battle cruisers had been able to go alongside a wharf together at any port during the world cruise.

C.N.R. Announce New Appointments

Winnipeg, Man., May 7.—Announcement was received from headquarters of the Canadian National Railways at Montreal to-day of the promotion of R. H. M. Temple to the position of assistant general counsel, with offices at Montreal.

G. M. Hare, solicitor of the Canadian National Railways, Winnipeg, will take over the duties of regional counsel. Mr. Hare joined the legal staff of the Grand Trunk Railway here in 1912 as chief clerk. In 1913 he was appointed assistant solicitor, and on the formation of the Canadian National Railways in 1929 he was made solicitor. The changes in the legal staff becomes effective at once. Mr. Temple and Mr. Hare are now in Montreal, where the former will take up his residence.

SEATTLE SHIPPING

Seattle, May 7.—The steamship West Mahwah, due here to-day from California, is to load lumber, canned goods, doors and general cargo for Buenos Aires, Montevideo, Santos and Rio de Janeiro.

With general cargo from Atlantic Coast ports the Ishthian liner Lancaster is expected here Saturday.

Libby, McNeill and Libby Company announced here yesterday that the motorship Libby Maine will leave Seattle for Alaska with cannery supplies and employees May 15. The steamship Otago, which departed from Seattle May 15, is the largest freighter that ever entered Alaskan waters.

The Ishthian steamship Anneton City, which arrived here Wednesday night, began loading yesterday for North European ports. A large part of the cargo is destined for London, Liverpool and Avonmouth. No cancellations of cargo bookings since the British general strike became effective have been received by Norton, Libby and Company, to whom the vessel is chartered.

The Holland-American Line motorship Dinteldyk, which left here to-day for Europe, carried frozen fish and canned goods from here.

No Curtailment of Air Fishing Patrol

Vancouver, May 7.—The Vancouver Star this morning published the following equipment at the Jericho aerodrome is being brought up to top notch as a

result of a dispatch from Ottawa to the effect there will be no curtailment of the aeroplane fisheries patrol work in British Columbia this year.

U.S. Coastguard Capture Rum Boat

Seattle, May 7.—The coastguard patrol boat 265, in command of Boatswain W. E. Campbell, captured a suspected rum craft yesterday in Admiralty Inlet, north of here, after a chase in which she used her rapid fire and machine guns. No liquor was found on the boat. The operators, George Wilson and C. R. Smith, were arrested and brought to Seattle to answer charges of interfering with a federal officer in the performance of his duty.

None, May 7.—Ice in the Bering Sea has disappeared from view at Nome yesterday. The same condition was reported to prevail at Wainwright, ninety miles southwest of Point Barrow. The departure of the ice was unusually early.

B.C. Pilots Have Amalgamated Into One Organization

With a capital of \$20,000 British Columbia pilots have amalgamated into one organization. The new company, which will combine the three associations that have been operating in the past, will be known as the Federal Pilots of British Columbia.

The Vancouver pilots and a number of the independent pilots will belong to the new organization. Although not all of the independent pilots have linked up with the new body, it is expected that they will do so in a short time.

The amalgamation will mean a great deal to all of the shipping companies, in that it will give them a cheaper rate. If two or three vessels arrive here about the same time one pilot boat will be able to handle the ships.

One pilot station will be maintained at Victoria and one at Vancouver instead of the offices of three organizations in each city.

Strike Affecting Hamburg Shipping

Berlin, May 7.—The British strike already has affected Hamburg shipping. Regular supplies from England of from four to six shiploads of coal daily have been interrupted and foreign coal stores for bunkering vessels have only small supplies on hand.

Negotiations are progressing to obtain Ruhr coal. British steamers arriving at Hamburg with general cargoes have discharged them and reloaded with coal from England. Other steamers at Hamburg en route to England are remaining at the German port awaiting developments in the strike.

Ice Disappears in Northern Waters

None, May 7.—Ice in the Bering Sea has disappeared from view at Nome yesterday. The same condition was reported to prevail at Wainwright, ninety miles southwest of Point Barrow. The departure of the ice was unusually early.

Sayward

Sayward, May 4.—At a public meeting held Saturday the question of forming a branch of an organization known as "District Builders" to support immigration and assist in bringing into the district more settlers, was discussed. Twelve voted for and nine

voted against the balance of those present refraining from voting. After further discussion the meeting dispersed without giving effect to the motion passed. The chair was occupied by S. Dyer, Arthur Henry acting as secretary.

The Rev. Allan Greene of the Columbia coast mission held church service in the Valley on Sunday last which was well attended.

The district was visited by a violent wind storm on Monday which was followed by torrents of rain and very wet weather still prevails. Hay and grains are making very rapid growth there is a good set of cherries and pears are very heavy.

Several ladies in the district have entered the turkey business and by appearances a considerable number of turkeys will be shipped from this district this fall.

ROTARIANS HOLD BIG CELEBRATION

Dinner and Dance at Empress Hotel Marks Installation of Officers

The Rotary Club last night held a most successful dinner and dance at the Empress Hotel, with a strong attendance of members and their wives, together with a number of guests.

Between presentation of reports of the work of the year songs were rendered by Miss Eva Hase and Jack Gillan, while the famous Rotary orchestra played during the dinner.

A vote of thanks was tendered, amid applause and cheers, to the ladies of Rotary for their assistance in successfully managing the recent District Convention. The motion was introduced by Percy Abell and seconded by J. R. Kingham.

Retiring President Mayhew then transferred the gavel to President-elect Edwin Tomlin, his retiring remarks being greeted with applause. President Tomlin dealt with the objective of Rotary, the advancement of international amity, in the course of his inaugural address. He considered the Victoria Rotary Club had a great opportunity to advance movements designed to ameliorate distress and improve the community as a whole.

Past President Mayhew was then decorated by his successor with a gold Rotary button, the members loudly applauding the presentation.

The new officers were installed with brief addresses. District Governor-elect James H. Beatty officiating on behalf of Past President Mayhew; Frank Sehl installed Lyle Dunlop as vice-president; J. R. Kingham introduced Second Vice-President Percy Watson; President Tomlin handed the treasurer's office to Arthur Mallett; Herbert Kent officiated for T. H. Myers, new sergeant-at-arms; John Clark presented Walter Clubb as director; Frank Doherty welcomed T. B. Kingham upon his reelection as director; and James H. Hunter installed Gordon Leckie in his directorate.

Capt. T. J. Goodlake was given an ovation when introduced as secretary by President Ed. Tomlin, who described him as "one man in a thousand."

Mrs. Mayhew was presented with a bouquet by Mrs. Edwin Tomlin. The retiring Board of Directors were tendered a vote of thanks and Mrs. Clifford Wain was presented with a bouquet by Herbert Kent, on behalf of the Rotary Club, in appreciation of the assistance as pianist in the production of "The Pirates of Port Angeles."

ANNUAL REPORT

Retiring President R. W. Mayhew presented his annual report, of which extracts follow:

Fifty-one meetings have been held, not including the District Conference in which one meeting was merged. All were mid-week meetings with the exception of a ladies' evening meeting, held jointly with the Kumtuka Club. Joint meetings were also held with the Gyro Club, the Rotary Club of Port Angeles, and the B. C. School Trustees' Association.

Outside speakers included District Governor Ed. Campbell on the occasion of his official visit in March; Rotarians: Past International President, Pete Snedecor, of Portland, Ore.; Past International Director Alex McFarlane, of Vancouver, B.C.; P. G. Spillbury, of Phoenix; Fred Elford, of Ottawa; Dominion Poultry Husbandman; Will Shelly, of Vancouver, B.C.; David Hazel, of London, Eng.; and Father Henry, of Regina. Also J. Vernon McKenzie, editor of McLean's Magazine; C. L. Harrison, Dr. S. F. Toimie, M.P.; C. S. Wardlaw-Milne, M.P.; George W. A. Turner, of the Government Employment Bureau; C. F. W. Schwenkers and Sir Henry Lunn.

Two speakers of whom special mention should be made were B. C. Nicholas and W. J. Bowser. Nicholas, invited to speak on Canadian citizenship, on the suggestion of the Canadian Advisory Committee. These addresses made a deep impression and led many to a line of thought which if continued is bound to have good results. The address of Mr. Nicholas has been printed and circulated among Rotary Clubs of Canada and several have expressed appreciation.

DISTINGUISHED ARTISTS

The members of the City Council took part in a programme together with our charter member, Carl Pender, who is filling the civic chair for a second term.

Musical items of programmes were supplied by a number of friends including Misses Joy and Una Calvert, Miss B. McEwan, Miss Beveridge, Vladimir Rosing and members of the Rochester-American Opera Company, Mrs. Mary McCoy Jameson, Miss Rita Ormiston, Miss Nora Jones, Miss Daniels, Mrs. K. Stokes, Mrs. W. Moore, and Messrs. William Tickle, Leighton White, Rimes, Norval Peterson, Reginald Stewart, G. Jennings Burnett.

GOOD ATTENDANCE

The attendance percentage for the year works out at 82.2, which is only two points below the record year in the club's history. The turnout in membership was the smallest that the club has ever had in a year.

VARIED WORK

Undertakings to which most of the members contributed time and energy, included the Christmas tree party which was held for the ninth successive year and the seed grow-

ing contest for school children of the district, now a recognized annual event.

The Boys' Work Committee as in previous years did a considerable amount of work.

An unusually large float was entered in the parade on the occasion of the Crystal Garden Carnival, the manoeuvring of which involved much physical energy on the part of a large number of members.

The residents of the Home for Aged Ladies were entertained with a motor drive.

The tag day in aid of Memorial Avenue was organized and assistance was given in the name of the club to various other objects.

The club participated with other service clubs in an indoor picnic at the Y. M. C. A. and succeeded in annexing the challenge cup for largest number of points in the athletic events.

Two very successful club dances were held at the Empress Hotel during the winter.

On September 2, a large contingent of members returned the visit of the Port Angeles Club and were hospitably entertained during the afternoon by our neighbors across the straits.

"The Rotary orchestra again deserves the congratulations of the club for maintaining its high standard of efficiency which is only accomplished by considerable personal self-sacrifice on the part of its members."

"The directors would like to record their appreciation of the loyal support which they have received throughout the year from committee chairmen and from the membership at large in their endeavors to maintain the club at a high pitch of efficiency as a source of inspiration to its members. Here also they must express their thanks to the ladies of Rotary for the whole-hearted way in which they have responded to all calls made on them."

WARM WELCOME IS TENDERED NEW BAPTIST PASTOR

Reception Last Evening For Rev. J. Strachan; Other Pastors Present

The members of the congregation of the First Baptist Church tendered a reception last evening to the Rev. James Strachan, their new pastor, and Mrs. Strachan. There was a splendid attendance and members of the Emmanuel and Douglas Street Baptist congregations joined with First Church in their welcome. A. B. McNeill, chairman of the executive board of the church, presided over the gathering.

Occasion was also taken to extend to Rev. Dr. Camp an appreciation of his services as acting pastor since last November. Deacon H. P. Thorpe, in a few well-chosen words, presented Dr. Camp with an illuminated address, accompanied by a substantial cheque from members of the congregation. Miss Nora Gibson, president of the ten age girls' groups, then presented Mrs. Camp with a lovely bouquet of flowers. Dr. Camp thanked the church for their good wishes and kindness and bespoke for the new pastor a full measure of co-operation in the new relationship now being entered upon.

Dr. William Russell, chairman of the board of deacons, extended a formal welcome to the new pastor on behalf of the church, touching on the happy privilege that was theirs in welcoming back to the church one who in days gone by had served as a deacon and Sunday school worker and had now returned to be their leader. Reference was also made to the contribution the church had made to the city and Province through the men and women it had given in municipal, commercial and provincial affairs, and prophesying enhanced usefulness under the new leadership just beginning.

Mrs. H. F. Bishop, president of the Women's Union, expressed greetings from the women and 'teen age girls' organizations, and Hazel Clyde, granddaughter of the late Caleb Bishop, one of the first officebearers appointed at the organization of the church fifty years ago, presented Mrs. Strachan with a beautiful bouquet.

GREETED BY OTHER CHURCHES

Rev. W. P. Freeman, former pastor of the church, was present and expressed his pleasure in welcoming his successor in the pulpit. Fraternal greetings were also extended by Rev. Dr. W. J. Sippell, on behalf of the Ministerial Association; Rev. Dr. W. G. Wilson, for the presbytery of the United Church; Rev. Dr. Leslie Clay, for the Presbytery of the Methodist Church; Rev. Henry Knox and W. H. Redman for the Emmanuel and Douglas Street Baptist Churches respectively.

The chairman read a letter from Rev. Dr. J. Wilbur Litch, the superintendent of missions for the Baptist Conventions of Alberta and British Columbia, conveying the felicitations of the denomination at large to the church and its new pastor.

NEW PASTOR SPOKE

Rev. Mr. Strachan, in replying, expressed his thanks to the church and his ministerial brethren for their hearty welcome and the splendid reception they had been tendered to himself and Mrs. Strachan since their coming to the city. He was glad to again be counted a citizen of Victoria, and pastor of his own home church, and assured them of his best efforts on behalf of themselves and the great cause they represented. He bespoke for the future a continuation of the splendid enthusiasm manifested on this occasion and hoped that all would co-operate in the service of the church and the denomination in the spreading of the Gospel of their common Lord and Master.

SOCIAL PROGRAMME

During the evening the church choir rendered two anthems and F. J. Mitchell sang a solo. The singing of the Doxology and the benediction by the pastor brought to a close the formal portion of the proceedings, when adjournment was made to the schoolroom, where opportunity was afforded the people to meet the new pastor and his wife.

The members of the Women's Union under the chairmanship of Mesdames W. H. Dismore, W. Lang, G. Ramsey and J. H. McConnell dispensed light refreshments.

Artist—"Dobbins, the art critic, stated his pictures unmercifully. He said, 'Oh, don't take any notice of that fellow. He has no mind of his own; he only repeats like a parrot what everybody else is saying.'"

LABORERS IN OAK BAY MAKE REQUEST FOR WAGE INCREASE

Delegation Interviewed the Council at Meeting Held Last Night

A delegation representing the outside staff employed by the municipality of Oak Bay interviewed the council at their regular meeting held last night in the Municipal Hall requesting for an increase in wages and also two weeks' holidays during the year.

Considerable discussion took place on the question between the members of the delegation and the councilors. Reeve Herbert R. Ansoncomb assured the delegation that the matter would be settled at a meeting to be held this week.

H. Gardner, spokesman of delegation, told councilors that twenty-two members of the outside staff were only asking for better working conditions. He declared that the men desired conditions something to those in effect in the city of Victoria.

The delegation stated that they wanted an increase in wages from \$2.75 to \$4.25 per day. They stated that, in their opinion, the present wages were not enough for a man to live on.

Councillor Ashe asked if the wages paid by the big contracting firms were not the same as those paid by the municipality. He was told by the delegation that the contractors paid their common laborers the sum of \$4.25 a day.

Councillor Hayward declared that if arrangements were made similar to those in the city some of the men would be laid off work during the slack period.

Councillor Ashe told the delegation that if any of the men working for the municipality were not satisfied they were at liberty to better themselves any time they felt like it.

Reeve Ansoncomb closed the discussion by delegation that the question would be settled this week and that everybody concerned would get a square deal. He declared he was absolutely in favor of paying a man a good wage for a good day's work.

Councillors Mearns and Hayward were appointed a committee to investigate the question of whether or not the British Columbia Electric Railway should be given permission to erect a pole line on Upper Terrace Avenue, situated in the Uplands.

On a motion by Councillor Mearns seconded by Councillor Wilson the council decided to grant \$25 to Lance Corporal Burton, who resides in the municipality, for his out-of-pocket expenses when he makes the trip to England as a member of Canadian Bisley rifle shooting team in June.

METROPOLITAN CHURCH CLOSES SUCCESSFUL YEAR

Contributions to the Church During Eleven Months Over \$25,000

Metropolitan Church has closed one of the most successful years in its history. The contributions for the work of the church in eleven months has amounted to over \$25,000, of which amount over \$10,000 was contributed to missions and benevolent enterprises. Of this amount the Sunday School contributed \$500, and the young people's department a like amount.

The church officers have been modelled according to the provisions of the basis of union of the United Church of Canada. E. W. Whittington being chosen as the secretary of the board.

W. D. Knott is the newly appointed Sunday School superintendent, and Norman Redman has been re-elected as president of the young people's department.

Mrs. Aaron Read has been elected as president of the Women's Missionary Society and Mrs. Weston re-elected as president of the Ladies' Aid Society. Rev. Dr. Sippell, Rev. A. K. McMinna and Miss A. Garbutt as deaconesses were all unanimously re-elected by the official board and continue their present relations for another year.

Special to The Times

Sooke, May 7.—The sudden death of Mrs. Harry Slack came as a great shock to her relatives and friends. She had a stroke and during the afternoon of Wednesday, May 5, passed away at 12.30 o'clock, without regaining consciousness. Her sister, Mrs. Cameron of Victoria; her brother, Mr. Joe Briggs, and her son, Benjie Bolach, were with her at the last, her husband and other sons and daughter not having had time to arrive.

Miss Lombard and Miss Joan Lombard are guests of Mr. and Mrs. T. Willett.

Mr. and Mrs. Albert Wilson have returned from their honeymoon and are residing in their new bungalow on the waterfront.

Salary Revision For Postmasters

Ottawa, May 7.—Answering a question in the House of Commons yesterday afternoon respecting compensation for rural postmasters after the introduction of two-cent postage July 1, Hon. Ernest Lapointe, Minister of Justice, said it was realized the adoption of the two-cent letter rate would result in a substantial decrease in the revenues of rural post offices. As rural postmasters were paid on a commission basis, there would be a corresponding decrease in their salaries.

The question of an upward revision of the rates of compensation of rural postmasters will receive sympathetic consideration by those who are charged with the duty of fixing the rates, he added.
